RECITALS

I. Except as otherwise provided herein, capitalized terms used herein which are not defined herein shall have the meanings set forth in the Credit Agreement.

II. The Borrower has requested that the Administrative Agent and the Lenders amend the Credit Agreement, upon the terms and conditions contained herein, to, among other things, (i) alter certain of the provisions and covenants and (ii) make certain additional modifications, and the Administrative Agent and the Lenders party hereto are willing to do so.

Accordingly, in consideration of the covenants, conditions and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and pursuant to Section 10.2 of the Credit Agreement, the parties hereto agree as follows:

1. Section 1.1 of the Credit Agreement is hereby amended to delete the definition of "Adjusted Operating Cash Flow" and to add the following new definitions in appropriate alphabetical order:

"Amendment No. 3 Effective Date" has the meaning given to such term in paragraph 16 of Amendment No. 3, dated as of June 8, 2006, to the Credit Agreement.

"Asset Sale Proceeds Adjustment Factor" means an amount (not exceeding \$40,000,000) equal to 40% of the aggregate Net Proceeds (determined without giving effect to the proviso to the definition of "Net Proceeds") received by the Parent or any Restricted Subsidiary with respect to any Transfer made after the Amendment No. 3 Effective Date, provided that, with respect to such Net Proceeds received in respect of any such Transfer, the sum of the aggregate amount of dividends paid and Equity Interests repurchased pursuant to Section 7.8(d) on the basis of the receipt of such Net Proceeds and the aggregate amount of reinvestments made in respect of such Net Proceeds pursuant to the proviso to the definition of "Net Proceeds" shall not exceed 100% of such Net Proceeds.

2. The definition of "Excess Cash Flow" contained in Section 1.1 of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

"Excess Cash Flow" means, in respect of any period, Operating Cash Flow for such period (before any adjustments to reflect acquisitions, sales and exchanges of property during such period) minus the sum of, without duplication: (i) Fixed Charges (adjusted to add to Fixed Charges, to the extent excluded in the calculation thereof, the amounts referenced in the parenthetical to clause (iii) of the definition of "Fixed Charges"), (ii) voluntary principal prepayments of the Term Loan and/or Revolving Loans made pursuant to Section 2.7(a), provided that in the case of the prepayment of Revolving Loans, the Revolving Commitments are permanently reduced in an aggregate amount equal to such prepayments, (iii) Investments made by the Parent or any of the Restricted Subsidiaries pursuant to Section 7.4(g), to the extent made in cash (other than cash constituting Net Equity Acquisition Proceeds), and (iv) Restricted Payments made pursuant to Section 7.8(f)(ii), in each case for or during such period.

3. The definition of "Net Proceeds" contained in Section 1.1 of the Credit Agreement is hereby amended by amending and restating the proviso contained there in its entirety to read as follows:

provided that any such cash proceeds received in respect of a Transfer, subject to the proviso contained in the definition of "Asset Sale Proceeds Adjustment Factor", or, subject to Section 6.11, a casualty or other insured damage or condemnation or similar proceeding at a time when no Event of Default exists shall not constitute Net Proceeds to the extent used by the Parent or such Restricted Subsidiary during the one year period following the event resulting in the payment of such cash proceeds to acquire assets permitted to be acquired pursuant to this Credit Agreement or to repair or restore the assets subject to such event.

4. The definition of "Senior Leverage Ratio" contained in Section 1.1 of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

"Senior Leverage Ratio" means, as of any date, the ratio of (i) Total Adjusted Funded Debt as of such date minus the sum of (x) cash and cash equivalents of the Parent and the Restricted Subsidiaries on such date in excess of \$3,000,000 plus (y) the principal amount of Subordinated Debt outstanding on such date, to (ii) Operating Cash Flow for the period of four consecutive fiscal quarters ending on such date, or if such date is not the last day of a fiscal quarter, for the period of four consecutive fiscal quarters ending most recently before such date.

5. The definition of "Total Leverage Ratio" contained in Section 1.1 of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

"Total Leverage Ratio" means, as of any date, the ratio of (i) Total Adjusted Funded Debt as of such date minus cash and cash equivalents of the Parent and the Restricted Subsidiaries on such date in excess of \$3,000,000, to (ii) Operating Cash Flow for the period of four consecutive fiscal quarters ending on such date, or if such date is not the last day of a fiscal quarter, for the period of four consecutive fiscal quarters ending most recently before such date.

Notwithstanding anything contained in Section 2.7(b)(ii) to the contrary, so long as no Default exists immediately before or after giving effect to the Equity Issuance, no prepayment of the Term Loans or reduction of the Revolving Commitments or the C Term Commitments will be required to the extent that the Net Equity Proceeds are used to redeem or repurchase Subordinated Debt.

(iii) Excess Cash Flow. On the last day of the first fiscal quarter of each year (commencing on March 31, 2008), the Borrower shall prepay the Term Loans in an aggregate amount equal to 50% of the Excess Cash Flow for the most recently completed fiscal year of the Parent, in the event that the Total Leverage Ratio as at the end of such fiscal year is equal to or greater than 4.00:1.00, provided that (x) if, after applying all or a portion of such Excess Cash Flow to the prepayment of the Term Loans, the Term Loans have been paid in full, any C Term Commitments then outstanding shall be permanently reduced by an amount equal to the unapplied portion thereof (and if the amount of such Excess Cash Flow remaining after repaying the Term Loans exceeds the C Term Commitments, the Revolving Commitments shall be permanently reduced by an amount equal to such excess) and (y) so long as no Event of Default shall then exist, the Revolving Commitments shall not be reduced below \$50,000,000 as a result of this clause (iii).
