The Bank of New York Mellon (formerly The Bank of New York), acting as Administrative Agent, arranged the amendment. The other institutions participating in the facility are: General Electric Capital Corporation; SunTrust Bank; Bank of America, N.A. This amendment resulted in the following primary modifications to the credit facility: (a) exclusion of all maturities of debt from the determination of the pro-forma debt service covenant calculation, (b) ability to refinance the Company’s 7 ³/₄% Senior Subordinated Notes due December 2010 in part or in full, (c) the elimination of Salem’s ability to purchase additional shares of its common stock or to pay a dividend on its common stock unless the Total Leverage Ratio calculated under the credit facility is less than or equal to 4.00:1.00, (d) termination of the revolving line of credit that was scheduled to expire on March 31, 2009, and (e) extension through December 31, 2010, of the Company’s ability to obtain a Term Loan D under the facility, which extension allows the addition of a new Term Loan D subject to the following conditions and restrictions: (1) the use of all proceeds from any such Term Loan D shall be limited to repayment of other term loans under the facility, (2) the aggregate amount of all new and additional Term Loan D commitments shall not exceed Fifty Million Dollars (\$50,000,000), and (3) to the extent that applicable interest rates and indices applicable to any new Term Loan D are greater than existing applicable interest rates and indices on the remainder of the amounts outstanding under the facility, the existing applicable interest rates and indices shall be adjusted to match those in effect for the new Term Loan D.

RECITALS

1 Except as otherwise provided herein, capitalized terms used herein which are not defined herein shall have the meanings set forth in the Credit Agreement.

2 The Borrower has requested that the Administrative Agent and the Lenders amend the Credit Agreement, upon the terms and conditions contained herein, to, among other things, (i) alter certain of the provisions and covenants and (ii) make certain additional modifications, and the Administrative Agent and the Lenders party hereto are willing to do so.

Accordingly, in consideration of the covenants, conditions and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and pursuant to Section 10.2 of the Credit Agreement, the parties hereto agree as follows:

1. Section 1.1 of the Credit Agreement is hereby amended to amend and restate the definition of "Pro-Forma Debt Service" to read as follows:

"Pro-Forma Debt Service" means, at any date of determination, the sum of (i) Pro-Forma Interest Expense plus (ii) scheduled payments of principal (including scheduled mandatory reductions of revolving credit and similar commitments, but excluding the scheduled principal payment due on the B Term Loans on the B Term Maturity Date, the C Term Loans on the C Term Maturity Date, and the D Term Loans on the D Term Maturity Date) in respect of Total Funded Debt required to be made during the four fiscal quarters of the Parent immediately succeeding such date of determination. For purposes of calculating Pro-Forma Debt Service, the principal amount outstanding under any revolving or line of credit facility on the date of any calculation of Pro-Forma Debt Service shall be assumed to be outstanding during the entire applicable four fiscal quarter period, subject to any mandatory scheduled payments of principal required to be made during such period.

2. Section 2.5(f) of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

(f) The Borrower may at any time and from time to time prior to December 31, 2010, at its sole cost, expense and effort, request any one or more of the Lenders to assume a new or additional D Term Commitment and make a new or additional D Term Loan (the decision to assume a new or additional D Term Commitment and make a new or additional D Term Loan to be within the sole and absolute discretion of such Lender), or any other Person to provide a new D Term Commitment, as applicable, in each case by submitting a D Term Increase Supplement, duly executed by the Parent, the Borrower and each such Lender (each, an “Increasing Lender”) or other Person (each, a “New Lender”), as the case may be. Each New Lender shall be reasonably satisfactory to the Administrative Agent. If such Increase Supplement is in all respects reasonably satisfactory to the Administrative Agent, the Administrative Agent shall execute such Increase Supplement and deliver a copy thereof to the Borrower and each such Increasing Lender or New Lender, as the case may be. Upon execution and delivery of a D Term Increase Supplement by the Administrative Agent, (i) the D Term Commitment, as applicable, assumed by such Increasing Lender or such New Lender, as the case may be, shall be as set forth in such D Term Increase Supplement, and (ii) each such New Lender shall become a party hereto and shall for all purposes of the Loan Documents be deemed a “Lender”. Notwithstanding anything in this clause (f) to the contrary:

(i) the Borrower may only request D Term Loans in a D Term Increase Supplement on three occasions;

(ii) the aggregate amount of all new and additional D Term Commitments assumed pursuant to this Section 2.5(f) shall not exceed \$50,000,000;

(iii) the aggregate amount of the new or additional D Term Commitments effected pursuant to an Increase Supplement shall be in an amount not less than \$10,000,000 or such amount plus an integral multiple of \$1,000,000;

(iv) in the case of the assumption of D Term Commitments pursuant to a D Term Increase Supplement, such D Term Increase Supplement, (x) in the case of the first such D Term Increase Supplement, such D Term Increase Supplement shall specify with respect to the D Term Loans requested therein, all relevant information regarding such requested D Term Loans, including (a) the requested borrowing date thereof, (b) the aggregate amount of the D Term Commitments, (c) the Applicable Margin to be applicable to the D Term Loans, (d) the D Term Maturity Date and (e) the amortization schedule to be applicable to the D Term Loans, provided that the amortization schedule with respect to the D Term Loans shall be such that not more than 1.00% per year of the D Term Loans will be subject to repayment thereunder and the D Term Loans will have an average life to maturity that is longer than the remaining average life to maturity of the C Term Loans, and (y) in the case of each subsequent D Term Increase Supplement, such D Term Increase Supplement shall specify, with respect to the D Term Loans requested therein, all relevant information regarding such requested D Term Loans, including (a) the requested borrowing date thereof and (b) the aggregate amount of the D Term Commitments;

(v) if the Applicable Margin to be applicable to the D Term Loans with respect to either or both ABR or Eurodollar Borrowings is greater than the corresponding Applicable Margin applicable to the B Term Loans and the C Term Loans as set forth in clause (b) of the definition of "Applicable Margin" under either or both of the headings "Term Loan ABR Margin" and "Term Loan Eurodollar Margin", the Applicable Margin applicable to the B Term Loans and the C Term Loans as set forth in clause (b) of the definition of "Applicable Margin" under either or both of the headings "Term Loan ABR Margin" and "Term Loan Eurodollar Margin", as applicable, shall automatically be deemed increased to the corresponding Applicable Margin applicable to the D Term Loans with respect to either or both ABR or Eurodollar Borrowings, as applicable, such increase to be effective automatically upon the Borrowing of the D Term Loans, and the Borrower and the Guarantors shall have executed and delivered to the Administrative Agent such documents, certificates, legal opinions and other items as the Administrative Agent shall reasonably request in connection with such increase in the Applicable Margin applicable to the B Term Loans and the C Term Loans;

(vi) each New Lender shall have delivered to the Administrative Agent and the Borrower all forms, if any, that are required to be delivered by such other Person pursuant to Section 3.7;

(vii) the Borrower shall have delivered to the Administrative Agent a certificate of a Financial Officer of the Borrower certifying that immediately before and after giving effect to such increase no Default shall exist and demonstrating pro forma compliance with the terms of this Credit Agreement through the latest to occur of the B Term Maturity Date, the C Term Maturity Date and the D Term Maturity Date;

(viii) the Borrower shall immediately apply the proceeds (net of the sum of legal and other related fees and expenses incurred in connection therewith) received from the D Term Loans to the prepayment of the principal amount of the B Term Loans and, in the event that the B Term Loans have been paid in full, the C Term Loans, such prepayment to be applied in accordance with Section 2.7(e) to the remaining installments of principal required under Section 2.6(b) or 2.6(c), as applicable, in the inverse order of maturity; and

(ix) the Administrative Agent shall have received such certificates, legal opinions and other items as it shall reasonably request in connection with such increase.

3. Section 7.1(a)(vi)(F) of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

(F) the Net Debt Proceeds of the issuance of the Refinancing Subordinated Indenture Notes are applied on the receipt thereof to the repurchase or redemption in full or in part of the 2002 Subordinated Indenture Notes or the New Subordinated Indenture Notes, and, in connection therewith, if repurchased or redeemed in full, the 2002 Subordinated Indenture Documents or the New Subordinated Indenture Documents, as the case may be, are terminated and cease to be in full force and effect.

4. Section 7.4(f) of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

(f) Hedging Agreements permitted by Section 7.7 and Restricted Payments permitted pursuant to Section 7.8(e);

5. Section 7.8 of the Credit Agreement is hereby amended and restated in its entirety to read as follows:

7.8 Restricted Payments

The Parent will not, and will not permit any of the Restricted Subsidiaries to, declare or make, or agree to pay for or make, directly or indirectly, any Restricted Payment, provided that

.1 the Parent may declare and pay, and agree to pay, dividends with respect to its Equity Interests payable solely in perpetual common Equity Interests;

.2 any wholly-owned Restricted Subsidiary may declare and pay dividends with respect to its Equity Interests to its parent;

.3 [Intentionally Omitted];

.4 [Intentionally Omitted];

.5 the Parent or any Restricted Subsidiary may purchase or redeem or make payments of principal, premium and interest in respect of Subordinated Debt to the extent expressly permitted by Section 7.13;

.6 [Intentionally Omitted]; and

.7 notwithstanding the provisions of clauses (a) through (f) above, if at the time thereof and immediately after giving effect thereto no Default shall have occurred and be continuing and the Total Leverage Ratio is less than or equal to 4.00:1.00 determined on a pro-forma basis for the following 12 months, the Parent or any Restricted Subsidiary may declare and pay dividends on its Equity Interests and redeem or repurchase its Subordinated Debt or Equity Interests.

6. This Amendment shall become effective upon satisfaction of the following conditions precedent:

(a) the Revolving Commitments and the Swingline Commitment shall have been terminated, all outstanding Revolving Loans and Swingline Loans shall have been paid in full, all outstanding Letters of Credit shall have been terminated, all outstanding LC Disbursements shall have been reimbursed in full, and all accrued and unpaid interest on all Revolving Loans and Swingline Loans, all breakage fees with respect to the repayment of all outstanding Revolving Loans and Swingline Loans, and all accrued and unpaid Revolving Commitment commitment fees and Letter of Credit participation fees and fronting fees shall have been paid in full;

(c) receipt by the Administrative Agent of an amendment fee for the account of each Lender that has executed and delivered this Amendment on or prior to the effectiveness of this Amendment in an amount equal to 0.50% of the sum of the outstanding Term Loans of such Lender.

7. In all other respects the Credit Agreement and other Loan Documents shall remain in full force and effect.

8. In order to induce the Administrative Agent and the Lenders to execute and deliver this Amendment, the Borrower and the Guarantors each (a) certifies that, immediately before and after giving effect to this Amendment, all representations and warranties contained in the Loan Documents to which it is a party shall be true and correct in all respects with the same effect as though such representations and warranties had been made on the date hereof, except as the context otherwise requires or as otherwise permitted by the Loan Documents or this Amendment, (b) certifies that, immediately before and after giving effect to this Amendment, no Default or Event of Default shall exist under the Loan Documents and (c) agrees to pay all of the reasonable fees and disbursements of counsel to the Administrative Agent incurred in connection with the preparation, negotiation and closing of this Amendment.

9. Each of the Borrower and the Guarantors (a) reaffirms and admits the validity, enforceability and continuing effect of all Loan Documents to which it is a party, and its obligations thereunder, and (b) agrees and admits that as of the date hereof it has no valid defenses to or offsets against any of its obligations to any Credit Party under any Loan Document to which it is a party.

10. This Amendment may be executed in any number of separate counterparts and all of said counterparts taken together shall be deemed to constitute one and the same document. It shall not be necessary in making proof of this Amendment to produce or account for more than one counterpart signed by the party to be charged.

Regulation G

Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are financial measures not prepared in accordance with generally accepted accounting principles ("GAAP"). Station operating income is defined as net broadcast revenues minus broadcast operating expenses. Non-broadcast operating income is defined as non-broadcast revenue minus non-broadcast operating expenses. EBITDA is defined as net income before interest, taxes, depreciation and amortization. Adjusted EBITDA is defined as EBITDA before discontinued operations (net of tax), impairment of goodwill and indefinite-lived assets, gain or loss on the disposal of assets and non-cash compensation expense. In addition, Salem has provided supplemental information as an attachment to this press release, reconciling these non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP. The company believes these non-GAAP financial measures, when considered in conjunction with the most directly comparable GAAP financial measures, provide useful measures of the company's operating performance.

Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are generally recognized by the broadcast industry as important measures of performance and are used by investors as well as analysts who report on the industry to provide meaningful comparisons between broadcast. Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are not a measure of liquidity or of performance in accordance with GAAP, and should be viewed as a supplement to and not a substitute for, or superior to, the company's results of operations presented on a GAAP basis such as operating income and net income. In addition, Salem's definitions of station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are not necessarily comparable to similarly titled measures reported by other companies.
