INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the board of directors (the “board” or the “board of directors”) of Salem Communications Corporation, a Delaware corporation (“Salem” or the “Company”), of proxies for use at the 2006 Annual Meeting of Stockholders of the Company (the “Annual Meeting”) scheduled to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

INFORMATION REGARDING VOTING AT THE ANNUAL MEETING

General

At the Annual Meeting, the stockholders of the Company are being asked to consider and to vote upon the following proposals:

- | | |
|------------|--|
| Proposal 1 | The election of the eight directors nominated by the Company’s board of directors to serve until the annual meeting of stockholders to be held in the year 2007 or until their respective successors are duly elected and qualified. |
| Proposal 2 | To amend Salem’s Amended and Restated 1999 Stock Incentive Plan (the “Plan”) to: (a) eliminate the requirement that the re-pricing of options issued under the Plan be approved by the duly authorized vote of a majority of all outstanding Salem shares, and (b) permit Salem to make loans to qualified persons granted options under the Plan for the purpose of exercising granted options. |
| Proposal 3 | The re-approval of the provision in the Plan establishing the maximum number of shares of Class A common stock available under awards to a single participant in any one calendar year. |
| Proposal 4 | The ratification of the selection of Ernst & Young LLP as Salem’s independent registered public accounting firm for the fiscal year ending December 31, 2006. |

For information regarding these proposals, see the sections of this Proxy Statement entitled “PROPOSAL 1—ELECTION OF DIRECTORS,” “PROPOSAL 2—AMENDMENT TO AMENDED AND RESTATED 1999 STOCK INCENTIVE PLAN,” “PROPOSAL 3—RE-APPROVAL OF MAXIMUM ANNUAL STOCK AWARDS TO SINGLE PARTICIPANT IN AMENDED AND RESTATED 1999 STOCK INCENTIVE PLAN,” and “PROPOSAL 4—RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.”

Shares represented by properly executed proxies received by the Company will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, **FOR** each of the director nominees identified on such proxy card for such directors, **FOR** the proposed amendment to the Plan, **FOR** the re-approval of the provision in the Plan establishing the maximum number of Class A common stock shares available for grant to an individual in any one calendar year, and **FOR** ratification of appointment of the recommended independent registered public accounting firm, as the holder of such shares is entitled to vote. Although management does not know of any matter other than the four proposals described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

Execution of a proxy will not in any way affect a stockholder’s right to attend the Annual Meeting and vote in person, and any person giving a proxy has the right to revoke it at any time before it is exercised by: (i) filing with the Secretary of Salem, prior to the commencement of the Annual Meeting, either a duly executed written notice dated subsequent to such proxy revoking the same or a duly executed proxy bearing a later date, or (ii) attending the Annual Meeting and voting in person.

The mailing address of the principal executive offices of the Company is 4880 Santa Rosa Road, Camarillo, California 93012, and its telephone number is (805) 987-0400.

Table of Contents

Record Date, Quorum and Voting

Only stockholders of record on March 30, 2006 (the "Record Date"), will be entitled to notice of and to vote at the Annual Meeting. There were outstanding on the Record Date 18,793,824 shares of Class A common stock, par value \$0.01 per share ("Class A common stock"), and 5,553,696 shares of Class B common stock, par value \$0.01 per share ("Class B common stock") (the Class A common stock and the Class B common stock are collectively referred to as the "common stock"). Each share of outstanding Class A common stock is entitled to one vote on each matter to be voted on at the Annual Meeting and each share of outstanding Class B common stock is entitled to ten votes on each matter to be voted on at the Annual Meeting, except that, as provided in the Company's Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the Class B common stock, to elect two "Independent Directors." The two Independent Directors shall be elected by a plurality of the votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors; the remaining six directors will be elected by a plurality of the votes of the shares of Class A common stock and Class B common stock present in person or represented by proxy and entitled to vote on the election of such directors. For information regarding the election of the Independent Directors, see the section of this Proxy Statement entitled "PROPOSAL 1—ELECTION OF DIRECTORS."

The presence, in person or by proxy, of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient votes for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. With regard to Proposals 2, 3 and 4, votes may be cast for, against or to abstain. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders other than the election of directors, thus having the effect of a negative vote, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved. Any stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock present, in person or represented by proxy, at the Annual Meeting and entitled to vote on the subject matter.

Solicitation

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by the Company. Following the mailing of this Proxy Statement, directors, officers and other employees of the Company may solicit proxies by mail, telephone, facsimile or other electronic means or by personal interview. Such persons will receive no additional compensation for such services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of such shares, and will be reimbursed by the Company for their reasonable charges and expenses in connection therewith.

Householding

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the Securities and Exchange Commission ("SEC") permits a single set of such documents to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as "householding," reduces the amount of duplicate information received at a household and reduces mailing and printing costs as well. A

number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of the Company's stockholders whose shares are registered in the name of such bank, broker or other firm. As a result, unless the stockholders receiving such notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be mailed to an address at which two or more stockholders reside. If any stockholder residing at such an address wishes to receive a separate Annual Report or Proxy Statement in the future, such stockholder should telephone toll-free 1-800-542-1061. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, such stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact the Company at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if such stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

Director Independence and Executive Sessions

In November 2005, the Company's board of directors evaluated the independence of each of Salem's directors pursuant to standards set forth in the listing regulations of the National Association of Securities Dealers, Inc., as approved by the Securities and Exchanges Commission ("NASDAQ Rules"). During this review, the board of directors considered various transactions and relationships among directors (and their affiliates or family members), members of the Company's senior management, affiliates and subsidiaries of the Company and certain other parties that occurred during the past three fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, any such relationships or transactions would affect the board of directors' determination as to each director's independence from management.

Upon conclusion of this review, the board of directors determined that, of the directors nominated for election at the Annual Meeting, a majority of the board (comprised of Messrs. Davenport, Halvorson, Hinz, Pressler, Riddle and Weinberg) is independent of Salem and its senior management as required by the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the board of directors meet periodically in executive sessions during which only independent directors are present. The Company's independent directors have met separately in such executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

The Compensation Committee currently consists of Messrs. Hinz (Chairman), Davenport and Riddle, each of whom is independent under the NASDAQ Rules. The Compensation Committee is authorized to review and approve compensation, including non-cash benefits, and severance arrangements for the Company's senior officers and employees and to recommend to the board salaries, remuneration and other forms of additional compensation and benefits as it deems necessary. The Compensation Committee also administers the Company's Amended and Restated 1999 Stock Incentive Plan. The Compensation Committee Report set forth later in this Proxy Statement provides additional details concerning the committee's determination of compensation for the Company's senior management.

The Compensation Committee held four meetings in 2005. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill all of its duties and responsibilities.

Table of Contents

The board of directors has adopted a written charter for the Compensation Committee. This charter is available on Salem's Internet website (www.salem.cc) and a copy of the charter may be obtained upon written request from the Secretary of the Company. Any information found on the Company's website is not part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Messrs. Pressler (Chairman), Davenport, Halvorson, Hinz, Riddle and Weinberg, each of whom is independent under the NASDAQ Rules. The committee met two times in 2005. The board has directed this committee to meet at least twice annually and at additional times as are necessary or advisable to fulfill all of its duties and responsibilities.

The board of directors has adopted a written charter for the Nominating and Corporate Governance Committee. This charter is available on Salem's Internet website (www.salem.cc) and a copy of the charter may be obtained upon written request from the Secretary of the Company. Any information found on the Company's website is not a part of, or incorporated by reference into, this or any other report of the Company filed with, or furnished to, the SEC.

The Nominating and Corporate Governance Committee is authorized to: (i) develop and recommend a set of corporate governance standards to the board of directors for adoption and implementation, (ii) identify individuals qualified to become members of the board of directors, (iii) recommend that director nominees be elected at the Company's next annual meeting of stockholders, (iv) recommend nominees to serve on each standing committee of the board of directors, (v) lead in the annual review of board performance and evaluation of the board's effectiveness, (vi) ensure that succession planning takes place for the position of chief executive officer and other key Company senior management positions, and (vii) analyze, review and, where appropriate, approve all related party transactions to which the Company or its subsidiaries or affiliates are a party, all in accordance with applicable rules and regulations.

To qualify as a nominee for service on the board of directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Salem board member. The committee desires to attract and retain highly qualified directors who will diligently execute their responsibilities and enhance their knowledge of the Company's core businesses.

The Nominating and Corporate Governance Committee implements Salem's policy regarding stockholder nominations by considering nominees for director positions that are made by the Company's stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominees to the Secretary of the Company at least 90 days before the annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee's qualifications to serve as a member of the board of directors, and evidence of the nominee's valid consent to serve as a director of the Company if nominated and duly elected.

The Company's directors provide oversight of Salem's management and play a key role in shaping the strategic direction of the Company. Consistent with the Company's Nominating and Corporate Governance Charter, the Committee considers various criteria in board candidates, including, among others, independence, character, judgment and business experience, as well as their appreciation of the Company's core purpose, core values, and whether they have time available to devote to board activities. The Committee also considers whether a potential nominee would satisfy:

1. The criteria for director "independence" established by the NASD ("NASDAQ"); and
2. The SEC's definition of "audit committee financial expert".

Whenever a vacancy exists on the board due to expansion of the board's size or the resignation or retirement of an existing director, the Committee identifies and evaluates potential director nominees. The Committee

Table of Contents

considers recommendations of management, stockholders and others. The Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the board, including its overall size, structure, backgrounds and areas of expertise of existing directors and the relative mix of independent and management directors. The committee also considers the specific needs of the various board committees. The committee recommends potential director nominees to the full board, and final approval of a candidate for nomination is determined by the full board. This evaluation process is the same for director nominees who are recommended by our stockholders.

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the 2006 Annual Stockholders' Meeting. None of the directors serving on the Audit Committee, the Compensation Committee, or the Nominating and Corporate Governance Committee are employees of the Company.

Director Attendance at Board Meetings and 2005 Annual Meeting of Stockholders

The full board of directors held four meetings in 2005. During 2005, each of the Company's incumbent directors attended all of the meetings of the full board of directors and all meetings of the committees of the board of directors on which they served. The Company encourages, but does not require, that each director attend the annual meeting of stockholders. In 2005, each of the Company's incumbent directors as of May 18, 2005 attended the annual meeting of stockholders.

Additionally, the employment agreements with Messrs. Atsinger and Epperson provide Salem with a right of first refusal on corporate opportunities, which includes acquisitions of radio stations in any market in which Salem is interested, and includes a noncompete provision for a period of two years from the cessation of employment with Salem and a nondisclosure provision which is effective for the term of the employment agreements and indefinitely thereafter.

AUDIT COMMITTEE REPORT

This Audit Committee Report shall not be deemed soliciting material or to be filed with the Securities and Exchange Commission ("SEC"), nor shall any information in this report be incorporated by reference by any general statement into any past or future filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that Salem Communications Corporation and

Table of Contents

its subsidiaries (the “Corporation”) specifically incorporates this information by reference into such filing, and shall not otherwise be deemed filed under such Acts.

The purpose of the Audit Committee (the “Committee”) is to oversee, on behalf of the entire board of directors of the Corporation (the “Board”): (a) the accounting and financial reporting processes of the Corporation, (b) the audits of the Corporation’s financial statements, (c) the qualifications of the public accounting firm engaged as the Corporation’s independent auditor to prepare or issue an audit report on the financial statements of the Corporation, and (d) the performance of the Corporation’s internal and independent auditors.

The Committee has adopted, and annually reviews, a charter outlining the practices it follows. The charter complies with all current regulatory requirements, including requirements pertaining to the NASDAQ listing standards definitions, provisions and applicable exceptions concerning the independence of audit committee members.

In 2005, the Committee held six meetings, four of which were regularly scheduled and two of which were held telephonically. The Committee’s meeting agendas are established by the Committee chairman based upon the Committee’s charter and an annual meeting planner approved by the entire Committee. At each of these meetings, the Committee met with the senior members of the Corporation’s financial management team and General Counsel. Additionally, the Corporation’s internal auditor and independent auditors met with the full Committee at two of the six meetings and the full Committee met in executive session with the Corporation’s internal auditors at one meeting. Prior to each regularly scheduled meeting, the Chairman of the Committee also met privately with the Corporation’s independent auditors and, separately, with the Corporation’s internal auditor, at which times candid discussions of financial management, accounting and internal control issues took place.

The Committee appointed Ernst & Young LLP as the Corporation’s independent auditors for the year ending December 31, 2006, and reviewed with the Corporation’s financial managers, the independent auditors, and the Corporation’s internal auditor, overall audit scopes and plans, the results of internal and external controls and the quality of the Corporation’s financial reporting. Although the Committee has the sole authority to appoint the independent auditor, the Committee will continue its established practice of recommending that the Board ask the Corporation’s stockholders, at their annual meeting, to approve the Committee’s selection of the independent auditors.

The Corporation’s management is primarily responsible for the preparation, presentation, and integrity of the Corporation’s financial statements, accounting and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. As the Corporation’s independent auditors, Ernst & Young LLP is responsible for performing an independent audit of the Corporation’s consolidated financial statements in accordance with generally accepted accounting standards and for expressing an opinion on the conformity of the audited financial statements to accounting principles generally accepted in the United States of America.

The Committee has reviewed and discussed with management the Corporation’s audited financial statements as of and for the year ended December 31, 2005. The Committee has also discussed with the independent auditors the matters required to be discussed by: (a) the Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (regarding “Communications with Audit Committees”), and as further amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants, and (b) Securities and Exchange Commission (“SEC”) Regulation S-X, Rule 2-07.

The Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”), as amended, by the Independence Standards Board, and the Committee has discussed with the

independent auditors that firm's independence from the Corporation and its management. The Committee has also considered whether the independent auditors' provision of non-audit services to the Corporation is compatible with the auditor's independence.

Based on the Committee's reviews and discussions referred to above, the Committee recommended to the Board that the audited consolidated financial statements referred to above be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2005, to be filed with the SEC.

The Audit Committee is currently comprised of Eric H. Halvorson, Chairman, Richard A. Riddle and Dennis M. Weinberg.

Compensation Committee

The Company's compensation program is administered by the Compensation Committee of the board of directors, which is comprised of three outside, non-employee directors. Following review and approval by the Compensation Committee, issues pertaining to compensation benefits and severance arrangements for the Company's executive officers and other key employees are submitted to the full board of directors for approval.

The following is the Compensation Committee report addressing the compensation of the Company's executive officers and other key employees for the 2005 fiscal year.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This Compensation Committee Report shall not be deemed soliciting material or to be filed with the SEC, nor shall any information in this report be incorporated by reference by any general statement into any past or future filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Corporation specifically incorporates this information by reference into such filing, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee (the "Committee") of the Board of Directors of Salem Communications Corporation (the "Corporation") is currently comprised of Roland S. Hinz, David Davenport and Richard A. Riddle, each an independent director. The Committee is responsible for establishing the Corporation's compensation programs for its executive officers and key employees, and administering the Corporation's stock option incentive plan. For executive officers and key employees, the Committee evaluates performance and determines compensation policies and levels.

Compensation Philosophy and Policy

The compensation philosophy of the Committee is to motivate the Corporation's executive officers and key management employees to attain financial, operational and strategic objectives through a competitive compensation program while also aligning the financial goals of such executives and management with those of the Corporation's stockholders. In administering the program, the Committee assesses the performance of the Corporation's business and employees relative to those objectives. The Committee also considers the performance of the Corporation's business as compared to the performance of its competitors. To ensure that pay

Table of Contents

is competitive, the Committee regularly compares its pay practices with those of the Corporation's competitors and sets pay parameters based on this review.

The Committee's compensation program generally provides incentives to achieve both annual and longer-term objectives. The principal elements of the compensation plan include base salary, cash incentive bonus awards and stock awards in the form of grants of stock options and restricted common stock. These elements generally are blended in order to implement the Committee's compensation philosophy.

Accordingly, the following principles are inherent in all of the Committee's considerations regarding compensation:

1. In order to attract and retain highly qualified and experienced personnel necessary to fulfill the Corporation's objectives, Salem must offer competitive compensation, including a competitive base salary, incentive cash bonuses and stock-based incentives;
2. Cash compensation in excess of an employee's base salary should be tied to the individual's performance, the performance of the business unit for which the employee is responsible and the overall performance of the Corporation; and
3. The financial interests of the executive officers and key employees of the Corporation should be closely aligned with the financial interests of the Corporation's stockholders.

Base Salary

Base salaries of executive and key management employees are determined in respect of comparable salaries by other employers in the radio broadcasting and similar industries. The salaries of all executive officers and key management employees except the Chairman and Chief Executive Officer (CEO) are determined through mutual negotiations between the executive and the CEO, with the approval of the Committee, and are based on both past performance and expected future performance.

In setting base salaries for executive officers and key management employees, the Committee also considers the experience of the individual, the scope and complexity of the position, the Corporation's size and growth rate and the compensation paid by the Corporation's competitors. Due to the increasingly competitive nature of the radio industry, compensation amounts paid by the Corporation's competitors are expected to continue to grow in importance as the Committee assesses its future compensation structure to ensure the Corporation's ability to continue to attract and retain highly qualified executives.

Cash Incentive Bonuses

All of the Corporation's executive officers are eligible to receive bonuses that are determined after a review of Corporation performance. In 2005, Edward G. Atsinger III, CEO, and each of the Corporation's four highest paid executive officers serving as of December 31, 2005 (including Stuart W. Epperson, Chairman) (the "Named Executive Officers"), received discretionary bonuses determined by the Committee as described in the "Summary Compensation Table" section of this Proxy Statement.

Stock Awards

To promote the Corporation's long-term objectives and to more closely align the interests of key members of Salem's management to that of our stockholders, stock awards are periodically made by the Committee. These stock awards are granted to employees of the Corporation and employees of subsidiaries of the Corporation (including employees who are officers or directors), non-employee directors of the Corporation and certain advisors and consultants who are in a position to make a significant contribution to the Corporation's long-term success. The stock awards are made pursuant to Salem's Amended and Restated 1999 Stock Incentive Plan,

Table of Contents

which permits the award of incentive stock options, nonqualified stock options and restricted stock awards. The Committee has the authority to determine the individuals that shall be given awards and the terms of such awards.

In 2005, the Corporation granted to the Named Executive Officers options for the purchase of Class A common stock as compensation for management's performance during 2004 as more specifically described in the section of this Proxy Statement entitled "Stock Option Grants." With the exception of those certain stock options that vested immediately upon grant as specifically described in the "Stock Option Grants" section of this Proxy Statement, the majority of all remaining stock options granted to executive officers and key employees during 2005 vest over several years. This deferred vesting is designed to increase stockholder value over a longer term because the full benefit of an executive's compensation cannot be realized unless a stock price appreciation occurs over a number of years. All stock options granted during 2005 have an exercise price equal to or exceeding the fair market price of the Class A common stock on the date of the grant.

In 2005, the Corporation also granted to several of its directors one thousand (1,000) shares of restricted Class A common stock as compensation for their services as more specifically described in the section of this Proxy Statement entitled "Restricted Stock Grants."

Chairman's and Chief Executive Officer's Compensation

In 2004, the Committee approved Employment Agreements with Stuart W. Epperson, Chairman of the Board, and Edward G. Atsinger III, CEO, following the principles set forth above. These Employment Agreements commenced on July 1, 2004, replacing existing agreements that expired on June 30, 2004. The new agreements are scheduled to expire on June 30, 2007.

The Committee considered a number of specific factors in determining Mr. Epperson's and Mr. Atsinger's total compensation for 2005, including without limitation: (a) the key role played by both of them in achieving favorable financial results for the Corporation in an uncertain economic environment, and (b) comparable compensation packages and employment agreements within the Corporation's peer group.

Base Salary

Mr. Epperson's base salary for the period of January 1, 2005, through December 31, 2005, was paid at the rate of \$700,000 annually. Mr. Atsinger's base salary for the period of January 1, 2005, through December 31, 2005, was paid at the rate of \$850,000 annually.

Cash Incentive Bonus

On March 9, 2005, Mr. Atsinger was awarded an incentive cash bonus of \$501,750 and Mr. Epperson was awarded an incentive cash bonus of \$167,250. These bonuses, while paid in 2005, rewarded the performance of the CEO and Chairman in assisting the Corporation to achieve favorable financial results in 2004.

Stock Awards

The Committee also granted stock options to Messrs. Epperson and Atsinger in 2005 to reward the performance of the CEO and Chairman in assisting the Corporation to achieve favorable financial results in 2004. Mr. Epperson was granted a total of 38,838 options as follows: (a) 13,838 immediately vested options conditionally granted on March 9, 2005, subject to stockholder approval of an amendment to the Corporation's 1999 Stock Incentive Plan, as amended, which approval was granted by the Corporation's stockholders on May 18, 2005, and (b) 25,000 additional options in May 2005, of which 6,250 were immediately vested with the remaining 18,750 to vest in equal installments in May 2006, May 2007 and May 2008, respectively. Mr. Atsinger was granted a total of 91,515 options as follows: (a) 41,515 immediately vested options conditionally granted on

Table of Contents

March 9, 2005, subject to stockholder approval of an amendment to the Corporation's 1999 Stock Incentive Plan, as amended, which approval was granted by the Corporation's stockholders on May 18, 2005, and (b) 50,000 additional options in May 2005, of which 12,500 were immediately vested and the remaining 37,500 to vest in equal installments in May 2006, May 2007 and May 2008, respectively. All stock options granted in 2005 to Mr. Epperson and Mr. Atsinger have an exercise price equal to or exceeding the fair market price of the Corporation's Class A common stock on the date of the grant.

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), imposes limitations upon the federal income tax deductibility of compensation paid to the Corporation's chief executive officer and to each of the Corporation's other four most highly compensated executive officers. Under these limitations, the Corporation may deduct such compensation only to the extent that during any year the compensation paid to any such officer does not exceed \$1,000,000 or meets certain specified conditions (such as certain performance-based compensation that has been approved by the Corporation's stockholders). Based on the Corporation's current compensation plans and policies and proposed regulations interpreting the Internal Revenue Code, the Committee believes that, for the near future, there is not a significant risk that the Corporation will lose any significant tax deduction for executive compensation. The Corporation's compensation plans and policies may be modified if the Committee determines that such an action is in the best interests of the Corporation's stockholders.

Conclusion

Through the plans described above, a significant portion of the Corporation's compensation programs (including the compensation of Edward G. Atsinger, III and Stuart W. Epperson) are contingent on the Corporation's performance, and realization of benefits is closely linked to increases in long-term stockholder value. The Committee remains committed to this philosophy of pay for performance, recognizing that the competitive market for talented executives may result in highly variable compensation for a particular time period.

Audit Committee's Pre-Approval Policies and Procedures

In accordance with the Audit Committee's pre-approval policies and procedures and the requirements of applicable law, all services to be provided by Ernst & Young LLP are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee considers, among other things, whether such services are consistent with the independent registered public accounting firm's independence and whether such services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by Ernst & Young LLP and determined that the provision of such services was compatible with maintaining the independence of Ernst & Young LLP.

PROPOSAL 2 AMENDMENT TO THE AMENDED AND RESTATED 1999 STOCK INCENTIVE PLAN

General

On May 29, 1999, the Company adopted the 1999 Stock Incentive Plan, as amended in 2001 and further amended and restated in 2003 and 2005 (the "Plan"), to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, retain and motivate its employees and other persons, to encourage and reward their contributions to the performance of the Company, and to align their interests with the interests of the Company's stockholders.

Salem's board of directors has approved amendments to the Plan that will:

- Expressly permit the repricing of any option outstanding under the Plan without approval by our stockholders; and
- Permit loans to be made by the Company to Plan participants (subject to other existing prohibitions on making such loans) to be used to pay the exercise price for options outstanding under the Plan.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting, at which a quorum representing a majority of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve the amendments to the Plan.

If we do not obtain stockholder approval, Salem will not implement the proposed amendments to the Plan, including the amendments specified above. The Plan will, however, remain in effect.

The board of directors believes that the proposed amendments to the Plan are in the best interests of Salem and our stockholders. **THEREFORE, THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF PROPOSAL 2.**

Summary of the Amended and Restated 1999 Stock Incentive Plan

The following is a summary of the principal features of the Plan as in effect and as proposed to be amended by Proposals 2 and 3. The summary is qualified in its entirety by Proposals 2 and 3 and the Plan, a copy of which, as proposed to be amended, is attached as Appendix B to this Proxy Statement.

The Plan is administered by the board or a committee of directors appointed by the board, such committee members meeting the requirement of committee membership required by the Plan (the "Administering Body"). Subject to the express provisions of the Plan, the Administering Body is authorized to interpret and construe the Plan and any documents defining the rights and obligations of the Company and recipients thereunder, to determine all questions arising thereunder, to adopt and amend such rules and regulations for the administration thereof as it may deem desirable, and otherwise to carry out the terms of the Plan and such other documents. The interpretation and construction by the Administering Body of any provisions of the Plan or of any award thereunder will be conclusive and binding. Any action taken by, or inaction of, the Administering Body relating to the Plan or any awards thereunder will be within the absolute discretion of the Administering Body and will be conclusive and binding upon all persons.

The Administering Body may from time to time in its discretion select the eligible persons to whom, and the times at which, awards will be granted or sold, the nature of each award, the number of shares of Class A Common Stock or the number of rights that make up or underlie each award, the period for the exercise of each award, and such other terms and conditions applicable to each award as the Administering Body will determine. The Administering Body may grant awards singly, in combination or in tandem with other awards, as it determines in its discretion. The purchase price, exercise price, initial value and any and all other terms and conditions of the awards may be established by the Administering Body without regard to existing awards or other grants.

Persons Eligible to Participate in the Plan

The persons eligible to receive awards under the Plan include directors, officers, employees, consultants, and advisors of the Company and its affiliated entities; *provided, however*, that Incentive Stock Options (defined below) may be granted only to eligible persons meeting the employment requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the "IRC"). For purposes of the Plan, the term "affiliated entities" means any parent corporation or subsidiary corporation of the Company, as defined in Sections 424(e) and 424(f), respectively, of the IRC. As of March 30, 2006, there were approximately 170 eligible participants in the Plan.

Awards

Subject to certain limitations specified in the Plan, the Administering Body may, in its discretion, grant to eligible persons any one or more of the following awards under the Plan: stock options, performance awards,

Table of Contents

restricted stock, stock appreciation rights, stock payments, dividend equivalents, stock bonuses, stock sales, phantom stock, and other stock-based benefits. Each award granted under the Plan will be evidenced by an agreement duly executed on behalf of the Company and by the recipient or, in the Administering Body's discretion, a confirming memorandum issued by the Company to the recipient, setting forth such terms and conditions applicable to the award as the Administering Body may in its discretion determine. Payment of the exercise price or other payment for an award shall be payable upon the exercise of a stock option or upon other purchase of shares pursuant to an award granted under the Plan and may be made by (i) legal tender of the United States, (ii) shares of Class A Common Stock (if either the underlying agreement or the Administering Body so permit and if the Company is not prohibited from acquiring its shares), or (iii) such other lawful consideration the Administering Body may deem acceptable in any particular instance.

Stock Options

The Administering Body may grant to eligible persons stock options that either qualify as incentive stock options under Section 422 of the IRC ("Incentive Stock Options") or do not qualify as Incentive Stock Options ("Nonqualified Stock Options").

Exercise Price. The exercise price for each stock option will be determined by the Administering Body as of the date such stock option is granted *provided, however*, that the exercise price may be no less than (A) the fair market value of the Class A Common Stock subject to the option as of the date the Incentive Stock Option is granted, and (B) in the case of a grant to a Significant Stockholder (defined below), 110% of the fair market value of the Class A Common Stock subject to the option as of the date the Incentive Stock Option is granted. Each stock option and all rights or obligations thereunder will expire on a date determined by the Administering Body, but not later than 10 years after the date the stock option is granted (or five years from the date of grant in the case of an Incentive Stock Option granted to a Significant Stockholder, or for Nonqualified Stock Options, such date later than 10 years after the Stock Option is granted as shall be determined in the discretion of the Administering Body), and will be subject to earlier termination as provided in the Plan or the award document. Except as otherwise provided in the Plan, a stock option will become exercisable, as a whole or in part, on the date or dates specified by the Administering Body and thereafter will remain exercisable until the expiration or earlier termination of the stock option.

Stock options will be exercisable only in whole shares, and fractional share interests will be disregarded. A stock option will be deemed to be exercised when the Secretary or other designated official of the Company receives written notice of such exercise from the recipient, together with payment of the exercise price made in accordance with the provisions of the Plan. Notwithstanding any other provision of the Plan, the Administering Body may impose such conditions upon the exercise of stock options (including, without limitation, conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements, including without limitation Rule 16b-3 and Rule 10b-5 under the Exchange Act, and any amounts required to satisfy any federal, state and local withholding tax requirements prior to issuance of such shares.

For purposes of the Plan, a "Significant Stockholder" shall mean a stockholder who, at the time a stock option is granted to such individual under the Plan, owns more than 10% of the combined voting power of all classes of stock of the Company or of any parent corporation or subsidiary corporation (after application of the attribution rules set forth in Section 424(d) of the IRC).

Subject to the stockholder's approval of this Proposal 2, an option holder must pay the exercise price of an option granted under the Plan either in cash at the time of exercise or pursuant to a "same-day sale" program developed pursuant to Regulation T of the Federal Reserve Board. Salem's practice has always been to require cash payments on exercise of options, but unless the proposed Plan amendment is approved, the Plan will continue to allow other forms of consideration, including loans, for exercise of options.

Performance Awards. The Administering Body may grant to eligible persons awards, payable in Class A Common Stock that vest and become payable over a period of time upon attainment of performance criteria

Table of Contents

established by the Administering Body in connection with the grant of the awards (“Performance Awards”). Each Performance Award and all rights or obligations thereunder will expire on a date determined by the Administering Body, and will be subject to earlier termination as provided in the Plan or the award document.

Restricted Stock. The Administering Body may authorize the grant or sale to eligible persons of Class A Common Stock that is nontransferable and subject to a substantial risk of forfeiture until specific conditions are met (“Restricted Stock”). The Administering Body will determine the purchase price (if any) to be paid for the Restricted Stock, the terms of payment, the restrictions upon the Restricted Stock, and when such restrictions will lapse; *provided, however*, that all shares of Restricted Stock will be subject to the following conditions: (a) the shares may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, alienated or encumbered until the restrictions are removed or expire; (b) the Administering Body may require that the certificates representing Restricted Stock remain in the physical custody of an escrow holder or the Company until all restrictions are removed or expire; (c) each certificate representing Restricted Stock will bear such legend or legends making reference to the restrictions imposed upon such Restricted Stock as the Administering Body deems necessary or appropriate to enforce such restrictions; and (d) the Administering Body may impose such other conditions on Restricted Stock as it deems advisable. Subject to any restrictions imposed upon the Restricted Stock, the recipient thereof will have all rights of a stockholder with respect to the Restricted Stock granted or sold to such recipient, including, without limitation, the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto. Unless the Administering Body determines otherwise, upon a recipient’s termination of employment for any reason, all of the recipient’s Restricted Stock remaining subject to restrictions on the date of such termination will be repurchased by the Company at the purchase price paid by the recipient (if any).

Stock Appreciation Rights. The Administering Body may grant to eligible persons Stock appreciation rights; that is, rights to receive payments measured with reference to the amount by which the fair market value of a specified number of shares of Class A Common Stock appreciates from a specified date (such as the date of grant of the stock appreciation rights) to the date of exercise. The Administering Body has full discretion to determine the form in which payment of a stock appreciation right will be made and to consent to or disapprove the election of a recipient to receive cash in full or partial settlement of a stock appreciation right. Further, the Administering Body may, at the time a stock appreciation right is granted, impose such conditions on the exercise of the stock appreciation right as may be required to satisfy the requirements of Rule 16b-3 under the Exchange Act (or any other comparable provisions in effect at the time or times in question).

Stock appreciation rights granted under the Plan may be related or unrelated to stock options. A stock appreciation right related to a stock option will entitle the holder of the related stock option, upon exercise of the stock appreciation right, to surrender such stock option, or any portion thereof to the extent previously vested but unexercised, with respect to the number of shares as to which such stock appreciation right is exercised, and to receive payment of an amount determined by multiplying (a) the difference obtained by subtracting the exercise price of a share of Class A Common Stock specified in the related stock option from the fair market value of a share of Class A Common Stock on the date of exercise of such stock appreciation right (or as of such other date specified in the instrument evidencing the stock appreciation right), by (b) the number of shares as to which such stock appreciation right is exercised. Such stock option will, to the extent surrendered, then cease to be exercisable. A stock appreciation right granted in connection with a stock option will be exercisable at such time or times, and only to the extent that, the related stock option is exercisable, and will not be transferable except to the extent that such related stock option may be transferable.

The amount payable upon exercise of a stock appreciation right that is unrelated to a stock option will be determined in accordance with the formula described in the preceding paragraph, except that in lieu of the option exercise price specified in the related stock option, the initial base amount specified in the award will be used.

Stock Payments. The Administering Body may grant stock payments of the Company’s Class A Common Stock to any eligible person for all or any portion of the compensation (other than base salary) or other payment that would otherwise become payable by the Company to the eligible person in cash.

Table of Contents

Dividend Equivalents. The Administering Body may grant dividend equivalents to any recipient under the Plan who has received a stock option, stock appreciation rights or other award denominated in shares of Class A Common Stock. Such dividend equivalents will entitle the holders thereof to receive from the Company during the applicable dividend period (as defined in the Plan) payments equivalent to the amount of dividends payable to holders of the number of shares of Class A Common Stock underlying such stock option, stock appreciation rights or other award. Dividend equivalents may be paid in cash, Class A Common Stock or other awards; and the amount of dividend equivalents paid other than in cash will be determined by the Administering Body by application of such formula as the Administering Body may deem appropriate to translate the cash value of dividends paid to the alternative form of payment of the dividend equivalent. Dividend equivalents will be computed as of each dividend record date and will be payable to recipients thereof at such time as the Administering Body may determine.

Stock Bonuses. The Administering Body may issue shares of Class A Common Stock to eligible persons as bonuses for services rendered or for any other valid consideration on such terms and conditions as the Administering Body may determine.

Stock Sales. The Administering Body may sell to eligible persons shares of Class A Common Stock on such terms and conditions as the Administering Body may determine.

Phantom Stock. The Administering Body may grant to eligible persons awards of phantom stock; that is, a cash bonus granted under the Plan measured by the fair market value of a specified number of shares of Class A Common Stock on a specified date, or measured by the excess of such fair market value over a specified minimum, which may but need not include a dividend equivalent.

Other Stock-Based Benefits. The Administering Body may grant to eligible persons other stock-based benefits not otherwise described above that (a) by their terms might involve the issuance or sale of Class A Common Stock or (b) involve a benefit that is measured, as a whole or in part, by the value, appreciation, dividend yield or other features attributable to a specified number of shares of Class A Common Stock.

Option Repricing

Subject to stockholder approval of this Proposal 2, the Plan has been amended to expressly provide that the Administering Body may reduce or lower the exercise price, purchase price or initial value of stock options after they have been granted without prior stockholder approval. Without the approval of the amendment to the Plan described in this Proposal 2, the Plan will continue to permit repricing of stock options only if the repricing is approved by duly authorized vote of a majority of all outstanding shares of the Company's Class A and Class B common stock.

Award Limits

In order for the compensation attributable to awards granted under the Plan to qualify as performance-based compensation (as defined in the Plan), no one eligible person will be granted any awards with respect to more than 100,000 shares of Class A Common Stock in any one calendar year. This limitation is subject to adjustment as set forth in the Plan, but only to the extent such adjustment would not affect the status of compensation attributable to awards as performance-based compensation. Further, the aggregate fair market value (determined as of the date of grant) of the Class A Common Stock for which one or more Incentive Stock Options granted to any one eligible person under the Plan (or any other option plan of the Company or any of its affiliated entities) may for the first time become exercisable during any one calendar year will not exceed \$100,000.

[Table of Contents](#)

Plan Effectiveness and Duration

The Plan became effective as of May 25, 1999 (the “Effective Date”), and will continue in effect until the 10th anniversary of the Effective Date (the “Plan Term”), at which time the Plan will automatically terminate. Notwithstanding the foregoing, each award properly granted under the Plan during the Plan Term will remain in effect after termination of the Plan until such award has been exercised, terminated or expired in accordance with its terms and the terms of the Plan.

Amendment and Termination

The Administering Body may, insofar as permitted by applicable law, rule or regulation, from time to time suspend or discontinue the Plan or revise or amend it in any respect whatsoever, and the Plan as so revised or amended will govern all awards thereunder, including those granted before such revision or amendment; *provided, however*, that no such revision or amendment will alter, impair or diminish any rights or obligations under any award previously granted under the Plan without the written consent of the recipient to whom such award was granted. Without limiting the generality of the foregoing, the Administering Body is authorized to amend the Plan to comply with or take advantage of amendments to applicable laws, rules or regulations, including amendments to the Securities Act, Exchange Act, the IRC (or any rules or regulations promulgated thereunder) or the rules of any exchange or inter-dealer quotation system upon which the Class A Common Stock is listed or traded. No stockholder approval of any amendment or revision shall be required unless (a) such approval is required by the Plan or by applicable law, rule or regulation, or (b) an amendment or revision to the Plan would materially increase the number of shares subject to the Plan (as adjusted under the Plan), materially modify the requirements as to eligibility for participation in the Plan, extend the final date upon which awards may be granted under the Plan, or otherwise materially increase the benefits accruing to recipients in a manner not specifically contemplated herein, or affect the Plan’s compliance with Rule 16b-3 or applicable provisions of or regulations under the IRC, and stockholder approval of the amendment or revision is required to comply with Rule 16b-3 or applicable provisions of or rules under the IRC.

Restrictions on Transferability

No award granted under the Plan will be assignable or transferable except (a) by will or by the laws of descent and distribution, (b) subject to the final sentence of this paragraph, upon dissolution of marriage pursuant to a qualified domestic relations order, or (c) in the discretion of the Administering Body and under circumstances that would not adversely affect the interests of the Company, pursuant to a nominal transfer that does not result in a change in beneficial ownership. During the lifetime of a recipient, an award granted to such person will be exercisable only by the recipient (or the recipient’s permitted transferee) or such person’s guardian or legal representative. Notwithstanding the foregoing, (i) no award owned by a recipient subject to Section 16 of the Exchange Act may be assigned or transferred in any manner inconsistent with Rule 16b-3, and (ii) Incentive Stock Options (or other awards subject to transfer restrictions under the IRC) may not be assigned, transferred or exercisable in violation of Section 422(b)(5) of the IRC (or any comparable or successor provision) or the regulations thereunder, and nothing herein is intended to allow such assignment or transfer.

Stock Subject to the Plan

There are 3,100,000 shares of Class A common stock available for issuance under the Plan. If options granted under the Plan expire or otherwise terminate without being exercised, the Class A common stock not purchased pursuant to such options again becomes available for issuance under the Plan.

Governing Law

The Plan is governed by and interpreted in accordance with the internal laws of the State of Delaware, without giving effect to the principles of the conflicts of laws thereof.

[Table of Contents](#)

Federal Income Tax Consequences

General. The following summary of certain federal income tax consequences of the receipt and exercise of awards granted by the Company is based on the laws and regulations in effect as of the date of this Proxy Statement and does not purport to be a complete statement of the law in this area. Furthermore, the discussion below does not address the tax consequences of the receipt and exercise of stock options under foreign, state and/or local tax laws, and such tax laws may not correspond to the federal tax treatment described herein. The exact federal income tax treatment of transactions under the Plan will vary depending on the specific facts and circumstances involved. Accordingly, individuals eligible to receive or exercise awards should consult their personal tax advisors with regard to all consequences arising from the grant or exercise of awards and the disposition of any acquired shares prior to engaging in any transaction related to any award.

Stock options granted under the Plan are not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, and are not qualified under Section 401(a) of the IRC.

Incentive Stock Options. Stock options granted under the Plan may qualify as Incentive Stock Options within the meaning of Section 422 of the IRC. If an optionee exercises an Incentive Stock Option in accordance with its terms and does not dispose of the shares acquired within two years from the date of the grant of the Incentive Stock Option nor within one year from the date of exercise (the “Required Holding Periods”), an optionee generally will not be subject to regular federal income tax, and the Company will not be entitled to any deduction, on either the grant or the exercise of an Incentive Stock Option. An optionee’s basis in the shares acquired upon exercise will be the amount paid upon exercise. Provided an optionee holds the shares as a capital asset at the time of sale or other disposition of the shares, an optionee’s gain or loss, if any, recognized on the sale or other disposition will be capital gain or loss. The amount of an optionee’s gain or loss will be the difference between the amount realized on the disposition of the shares and the optionee’s basis in the shares.

If, however, an optionee disposes of the acquired shares at any time prior to the expiration of the Required Holding Periods, then (subject to certain exceptions), the optionee will recognize ordinary income at the time of such disposition which will equal the excess, if any, of the lesser of (a) the amount realized on such disposition or (b) the fair market value of the shares on the date of exercise, over the optionee’s basis in the shares. The Company generally will be entitled to a deduction in an amount equal to the amount of ordinary income recognized by an optionee. Any gain in excess of such ordinary income amount will be a short-term or long-term capital gain, depending on the optionee’s holding period. If an optionee disposes of such shares for less than the optionee’s basis in the shares, the difference between the amount realized and the optionee’s basis will be short-term or long-term capital loss, depending upon the holding period of the shares.

The excess of the fair market value of the shares acquired on the exercise date of an Incentive Stock Option over the exercise price of such option generally is required to be included in the optionee’s alternative minimum taxable income for the year in which the option is exercised and, accordingly, may subject an optionee to the alternative minimum tax.

Nonqualified Stock Options. In general, there are no tax consequences to the optionee or to the Company on the grant of a stock option which does not qualify as an incentive stock option (a “Nonqualified Stock Option”). On exercise, however, the optionee generally will recognize ordinary income equal to the excess of the fair market value of the shares as of the exercise date over the purchase price paid for such shares, and the Company will be entitled to a deduction equal to the amount of ordinary income recognized by the optionee. Upon a subsequent disposition of the shares received under a nonqualified stock option, the difference between the amount realized on such disposition and the fair market value of the shares on the date of exercise generally will be treated as a capital gain or loss.

Performance Awards and Stock Appreciation Rights. Generally, the recipient of a Performance Award or a holder of a stock appreciation right will recognize ordinary income equal to the amount paid by the Company under either arrangement on the date the recipient or holder receives payment from the Company. If the Company places a limit on the amount that will be payable under a stock appreciation right, the holder may

Table of Contents

recognize ordinary income equal to the value of the holder's right under the stock appreciation right at the time the value of such right equals such limit and the stock appreciation right is exercisable. The Company will generally be entitled to a deduction in an amount equal to the ordinary income recognized by the recipient or holder.

Restricted Stock. Unless the recipient makes an 83(b) Election within 30 days after the receipt of the restricted stock, the recipient is not taxed and the Company is not entitled to a deduction until the restriction lapses, and at that time the recipient will recognize ordinary income equal to the difference between the then fair market value of the Class A Common Stock and the amount, if any, paid by the recipient for the Class A Common Stock, and the recipient's tax basis in the Class A Common Stock will equal the then fair market value of the Class A Common Stock. If the recipient makes a timely 83(b) Election, the recipient will recognize ordinary income at the time of the election equal to the difference between the fair market value of the restricted stock on the date of grant and the amount, if any, paid by the recipient for the Class A Common Stock, and the recipient's tax basis in the Class A Common Stock will equal the fair market value of the Class A Common Stock on the grant date. Any subsequent sale of the Class A Common Stock by the recipient generally will, depending upon the length of the holding period beginning just after the date the restriction on the Class A Common Stock lapses or where an 83(b) Election is made just after the grant date, be treated as long or short term capital gain (loss) equal to the difference between the sale price (the recipient's tax basis) and the recipient's tax basis (sale price). The Company generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the recipient.

Miscellaneous Tax Issues. An award may be granted under the Plan that does not fall clearly into one of the categories described above. The federal income tax treatment of such an award will depend upon the specific terms of such award. In such case, the recipient should consult his or her tax advisor regarding the tax treatment applicable to such award.

Generally, the Company will be required to make arrangements for withholding applicable taxes with respect to any ordinary income recognized by a participant in connection with an award made under the Plan.

With certain exceptions, an individual may not deduct investment-related interest to the extent such interest exceeds the individual's net investment income for the year. Investment interest generally includes interest paid on indebtedness incurred to purchase shares of Class A Common Stock. Interest disallowed under this rule may be carried forward to and deducted in later years, subject to the same limitations.

Special rules will apply in cases where a recipient of an award pays the exercise or purchase price of the award or applicable withholding tax obligations under the Plan by delivering previously owned shares of Class A Common Stock or by reducing the amount of shares otherwise issuable pursuant to the award. The surrender or withholding of such shares will in certain circumstances result in the recognition of income with respect to such shares or a carryover basis in the shares acquired. A recipient should consult his or her tax advisor regarding the tax consequences associated with using previously owned shares of Class A Common Stock or reducing the amount of shares issuable pursuant to the award for the foregoing purposes.

The terms of the agreements pursuant to which specific awards are made to employees under the Plan may provide for accelerated vesting or payment of an award in connection with a change in ownership or control of the Company. In that event and depending upon the individual circumstances of the recipient, certain amounts with respect to such awards may constitute "excess parachute payments" under the "golden parachute" provisions of the IRC. Pursuant to these provisions, a recipient will be subject to a 20% excise tax on any "excess parachute payments" and the Company will be denied any deduction with respect to such payment. A recipient of an award should consult his or her tax advisor as to whether accelerated vesting of an award in connection with a change of ownership or control of the Company would give rise to an excess parachute payment.

Company Withholdings and Information Reports

If an award recipient is an employee of the Company, withholdings required to be made by the Company with respect to ordinary compensation income recognized under stock options ordinarily will be accomplished by withholding the required amount from other cash compensation due from the Company to the employee, by having the employee pay to the Company the required withholding amount, or by such other permissible methods as the Company may deem appropriate. Whether or not such withholdings are required, the Company will make such information reports to the Internal Revenue Service as may be required with respect to any income (whether or not that of an employee) attributable to transactions involving stock options.

Interest of Certain Persons in Matters to be Acted Upon

Pursuant to the Plan, each of the directors and executive officers, among others, is eligible to receive awards under the Plan. Participation in the Plan is at the discretion of the board or its appointed committee and, accordingly, future participation by directors, executive officers and other employees under this Plan is not determinable. If this Proposal 2 is approved by the Company's stockholders, options that have been granted to the directors and officers can be re-priced by the Plan's Administering Body without need for stockholder approval and certain plan participants would be eligible to receive loans authorized by the Plan's Administering Body.

Plan Benefits

The following table sets forth, to the extent determinable, the benefits under the Plan that have been received by each of the following as of April 24, 2006: (i) our Chief Executive Officer and our other four most highly compensated executive officers in 2005, (ii) all current executive officers, as a group; (iii) our directors who are not executive officers, as a group; and (iv) all other employees, including all current officers who are not executive officers, as a group.

PROPOSAL 3

RE-APPROVAL OF MAXIMUM ANNUAL STOCK AWARDS TO SINGLE PARTICIPANT IN AMENDED AND RESTATED 1999 STOCK INCENTIVE PLAN

If an award under the Plan is intended to qualify as performance-based compensation for purposes of Section 162(m) of the IRC, then under the terms of the Plan, the annual amount of shares available under awards granted to a participant cannot exceed 100,000 shares. Section 162(m) of the IRC imposes a \$1 million limit on the amount of compensation that may be deducted by the Company in any year with respect to each of the Chief Executive Officer of the Company and its other four most highly compensated officers, including deductions attributable to awards under the Plan. The \$1 million deduction limit of Section 162(m) of the IRC, however, does not apply to "performance-based compensation." For awards under the Plan to constitute "performance-based compensation," one requirement is that at least every five years the stockholders approve the maximum number of shares for which grants may be made to any participant during a specified period.

The current annual limit, which was previously approved by the Company's stockholders in 1999 and reaffirmed by the Company's stockholders in June 2003 and May 2005, is 100,000 shares. In order to preserve the deductibility of compensation expense relating to awards granted under the Plan, the board is seeking the favorable approval of the Company's stockholders to reapprove the Plan in this regard.

Interest of Certain Persons in Matters to be Acted upon

Pursuant to the Plan, each of the directors and executive officers, among others, is eligible to receive awards under the Plan. Participation in the Plan is at the discretion of the board or its appointed committee and, accordingly, future participation by directors, executive officers and other employees under the Plan is not determinable. However, if this proposal were approved, the maximum number of shares available under awards granted to any single participant, including directors and executive officers, in any one calendar year would continue to be 100,000.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the meeting, at which a quorum representing a majority of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve Proposal 3. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 3.**

PROPOSAL 4

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Company's board of directors has selected Ernst & Young LLP to serve as its independent registered public accounting firm for the fiscal year ending December 31, 2006. Ernst & Young has served as the Company's independent auditor since 1991. A representative of Ernst & Young is expected to attend the Annual Meeting, and the representative will have an opportunity to make a statement if he or she so desires. The representative will also be available to respond to appropriate questions from stockholders.

Reasons for the Proposal

Selection of the Company's independent registered public accounting firm is not required to be submitted for stockholder approval. Nonetheless, the board of directors is seeking ratification of its selection of Ernst & Young LLP as a matter of further involving the Company's stockholders in its corporate affairs. If the stockholders do not ratify this selection, management and the board of directors will reconsider its selection of Ernst & Young LLP and will either continue to retain this firm or appoint new independent registered public

accounting firm upon recommendation of the Audit Committee. Even if the selection is ratified, the Audit Committee or our board of directors, in their discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the meeting, at which a quorum representing a majority of the voting power of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve Proposal 4. **THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 4.**

STOCKHOLDERS' PROPOSALS FOR 2007 PROXY STATEMENT

Any stockholder of the Company wishing to have a proposal considered for inclusion in the Company's proxy solicitation materials relating to the Company's 2007 annual meeting of stockholders must, in addition to other applicable requirements, give notice of such proposal in writing to the Secretary of the Company at its principal executive offices and such notice must be received on or before December 26, 2006. The proposal may be included in next year's proxy statement if it complies with certain rules and regulations promulgated by the SEC. The board of directors will review proposals from eligible stockholders which it receives by December 26, 2006, and will determine whether any such proposal will be included in its 2007 proxy solicitation materials.

OTHER MATTERS

At the time of preparation of this Proxy Statement, the board of directors of the Company was not aware of any other matters to be brought before the Annual Meeting. No eligible stockholder had submitted notice of any proposal 90 days before the date of the Annual Meeting. However, if any other matters are properly presented for action, in the absence of instructions to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote, or refrain from voting, in accordance with their respective best judgment on such matters.

Any eligible stockholder of the Company wishing to have a proposal considered for inclusion in the Company's 2007 proxy solicitation materials, including director nominations, must set forth such proposal in writing and file it with the Company's Secretary on or before December 26, 2006. The board will review new proposals from eligible stockholders if they are received by December 26, 2006 and will determine whether such proposals will be included in the Company's 2007 proxy solicitation materials. Proposals must be submitted in accordance with the Company's Bylaws and comply with SEC regulations promulgated pursuant to Rule 14a-8 of the Exchange Act.

If a stockholder desires to have a proposal presented at the Company's annual meeting of stockholders in 2007 and the proposal is not intended to be included in the Company's related 2007 proxy solicitation materials, the stockholder must give advance notice to the Company in accordance with the Company's Bylaws. Pursuant to the Company's Bylaws, only such business shall be conducted, and only such proposals shall be acted upon at an annual meeting of stockholders as are properly brought before the meeting. For business to be properly brought before an annual meeting by a stockholder, in addition to any other applicable requirements, timely notice of the matter must first be given to the Secretary. To be timely, a stockholder's written notice must be delivered to the Secretary at the Company's principal executive offices not later than the 90th day nor earlier than the 120th day prior to the first anniversary of the preceding annual meeting; provided, however, that in the event the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, then notice of the stockholder proposal must be delivered to the Secretary not earlier than the 120th day nor later than the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of

the date of such annual meeting is first made. If such proposal is for a nominee for director, such stockholder's notice must set forth with respect to such director nominee all of the information relating to such person that is required to be disclosed in solicitations for elections of directors under the rules of the SEC; for any stockholder proposal, the notice must comply with Section 2.2 of Article II of the Company's Bylaws (a copy of which is available upon request to the Secretary of the Company), which section requires that the notice contain a brief description of such proposal and the reasons for conducting such business at the annual meeting, the name and address, as they appear on the Company's books, of the stockholder making such proposal, the number of shares of Class A common stock and Class B common stock beneficially owned by such stockholder and any material interest of such stockholder in such proposal.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder and applicable requirements of the Nasdaq Stock Market, officers and directors of the Company and persons who beneficially own more than 10% of the common stock of the Company are required to (i) report their initial ownership and change in ownership with respect to all equity securities of the Company, and (ii) furnish such reports to the Company.

Based solely on its review of the copies of such reports received by it during or with respect to the year ended December 31, 2005, and/or written representations from such reporting persons, the Company believes that its officers, directors and more than ten-percent stockholders complied with all Section 16(a) filing requirements applicable to such individuals.

AMENDED AND RESTATED
SALEM COMMUNICATIONS CORPORATION
1999 STOCK INCENTIVE PLAN
(AS AMENDED AND RESTATED THROUGH MAY 24, 2006)

ARTICLE I
PURPOSE OF PLAN

The Company has adopted this Plan to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, retain and motivate employees and other persons, to encourage and reward their contributions to the performance of the Company, and to align their interests with the interests of the Company's stockholders. Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in *Article VIII*.

ARTICLE II
EFFECTIVE DATE AND TERM OF PLAN

2.1 Term of Plan. This Plan became effective as of the Effective Date and will continue in effect until the earlier of (a) the Expiration Date or (b) the date of any Plan termination pursuant to the provisions of *Section 7.2*, at which time this Plan shall automatically terminate.

2.2 Effect on Awards. Awards may be granted only during the Plan Term, but each Award granted during the Plan Term will remain in effect after the Expiration Date until such Award has been exercised, terminated or expired in accordance with its terms and the terms of this Plan.

2.3 Stockholder Approval. This Plan was initially approved by the Company's stockholders within 12 months after the Effective Date. The Second Amendment to the Plan was approved by Company's stockholders on June 11, 2003. The Third Amendment to the Plan was approved by the Company's stockholders on May 18, 2005. The Fourth Amendment to the Plan was approved by the Company's stockholders on May 24, 2006. The effectiveness of any Awards granted prior to such stockholder approval shall be subject to such stockholder approval.

ARTICLE III
SHARES SUBJECT TO PLAN

3.1 Number of Shares. The maximum number of shares of Common Stock that may be issued pursuant to Awards shall be 3,100,000, subject to adjustment as set forth in *Section 3.4*.

3.2 Source of Shares. The Common Stock to be issued under this Plan will be made available, at the discretion of the Board, either from authorized but unissued shares of Common Stock or from previously issued shares of Common Stock reacquired by the Company, including, without limitation, shares purchased on the open market.

3.3 Availability of Unused Shares. Shares of Common Stock subject to unexercised portions of any Award that expire, terminate or are canceled, and shares of Common Stock issued pursuant to an Award that are reacquired by the Company pursuant to this Plan or terms of the Award under which such shares were issued, will again become available for the grant of further Awards under this Plan. However, if the exercise price of, or withholding taxes incurred in connection with, an Award is paid with shares of Common Stock, or if shares of

Table of Contents

Common Stock otherwise issuable pursuant to Awards are withheld by the Company in satisfaction of an exercise price or the withholding taxes incurred in connection with any exercise or vesting of an Award, then the number of shares of Common Stock available for issuance under the Plan will be reduced by the gross number of shares for which the Award is exercised or for which the Award vests, as applicable, and not by the net number of shares of Common Stock issued to the holder of such Award.

3.4 Adjustme nt Provisions.

(a) Adjustments. If the outstanding shares of Common Stock are increased, decreased or exchanged for a different number or kind of shares or other securities, or if additional shares or new or different shares or other securities are distributed in respect of such shares of Common Stock (or any stock or securities received with respect to such Common Stock), including without limitation through merger, consolidation, sale or exchange of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, spin-off or similar transaction, then, subject to *Section 7.2*, an appropriate and proportionate adjustment may be made in (i) the maximum number and kind of shares subject to this Plan as provided in *Section 3.1*, (ii) the number and kind of shares or other securities subject to then outstanding Awards, and/or (iii) the price for each share or other unit of any other securities subject to, or measurement criteria applicable to, then outstanding Awards.

(b) No Fractional Interests. No fractional interests will be issued under this Plan resulting from any adjustments.

(c) Adjustments Related to Company Stock. To the extent any adjustments relate to stock or securities of the Company, such adjustments shall be made by the Administering Body, whose determination in that respect shall be final, binding and conclusive.

(d) Right to Make Adjustment. The grant of an Award pursuant to this Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or any part of its business or assets.

(e) Limitations. No adjustment to the terms of an Incentive Stock Option shall be made unless such adjustment either (i) would not cause such Option to lose its status as an Incentive Stock Option or (ii) is agreed to in writing by the Administering Body and the Recipient.

3.5 Res ervation of Shares. The Company will at all times reserve and keep available a number of shares of Common Stock equaling at least the total number of shares of Common Stock issuable pursuant to then outstanding Awards.

ARTICLE IV ADMINISTRATION OF PLAN

4.1 Administering Body.

(a) Plan Administration. This Plan shall be administered by the Board or by a Committee of the Board appointed pursuant to *Section 4.1(b)*.

(b) Administration by Committee. The Board in its sole discretion may from time to time appoint a Committee (which may be a subcommittee of an existing committee of the Board) of not less than two (2) Board members to administer this Plan and, subject to applicable law, to exercise all of the powers, authority and discretion of the Board under this Plan. As long as the Board has delegated authority to administer this Plan to the Committee and the Company has a class of equity securities registered under Section 12 of the Exchange Act,

this Plan may be administered by the Committee comprised of not less than two (2) Board members appointed by the Board in its sole discretion from time to time, each of whom is (i) a Non-Employee Director, and (ii) in addition, if Awards are to be made to persons subject to Section 162(m) of the IRC and such Awards are intended to constitute Performance-Based Compensation, then each member of the Compensation Committee shall, in addition to being a Non-Employee Director, be an “outside director” as defined in the regulations adopted under Section 162(m) of the IRC. The Board may from time to time increase or decrease (but not below two) the number of members of the Committee, remove from membership on the Committee all or any portion of its members, and/or appoint such person or persons as it desires to fill any vacancy existing on the Committee, whether caused by removal, resignation or otherwise. The Board may disband the Committee at any time and revert in the Board the administration of this Plan.

4.2 Authority of Administering Body.

(a) Authority to Interpret Plan. Subject to the express provisions of this Plan, the Administering Body shall have the power to implement (including the power to delegate such implementation to appropriate officers of the Company), interpret and construe this Plan and any Awards and Award Documents or other documents defining the rights and obligations of the Company and Recipients hereunder and thereunder, to determine all questions arising hereunder and thereunder, and to adopt and amend such rules and regulations for the administration hereof and thereof as it may deem desirable. The interpretation and construction by the Administering Body of any provisions of this Plan or of any Award or Award Document shall be conclusive and binding. Any action taken by, or inaction of, the Administering Body relating to this Plan or any Award or Award Document shall be within the absolute discretion of the Administering Body and shall be conclusive and binding upon all persons. Subject only to compliance with the express provisions hereof, the Administering Body may act in its absolute discretion in matters related to this Plan and any and all Awards and Award Documents.

(b) Authority to Grant Awards. Subject to the express provisions of this Plan, the Administering Body may from time to time in its discretion select the Eligible Persons to whom, and the time or times at which, Awards shall be granted or sold, the nature of each Award, the number of shares of Common Stock or the number of rights that make up or underlie each Award, the exercise price and period for the exercise of each Award, and such other terms and conditions applicable to each individual Award as the Administering Body shall determine. The Administering Body may grant at any time new Awards to an Eligible Person who has previously received Awards or other grants (including other stock options) regardless of whether such prior Awards or such other grants are still outstanding, have previously been exercised as a whole or in part, or are canceled in connection with the issuance of new Awards. The Administering Body may grant Awards singly, in combination or in tandem with other Awards, as it determines in its discretion. The purchase price, exercise price, initial value and any and all other terms and conditions of the Awards may be established by the Administering Body without regard to existing Awards or other grants. The Administering Body may from time to time delegate authority to the Chief Executive Officer of the Company to grant Awards under this Plan, such authority shall not extend to (a) at any one time, authority to grant Awards covering more than 10,000 shares of Common Stock, (b) any Awards granted at less than Fair Market Value, (c) any Awards vesting in less than one year from the date of grant or (d) Awards to directors or executive officers of the Company who are (or would as of the date of the Award become) subject to Section 16 of the Exchange Act. The Administering Body may designate the Secretary of the Company or other Company employees to assist the Administering Body in the administration of the Plan, and may grant authority to such persons to execute Award Documents evidencing Awards made under this Plan or other documents entered into under this Plan on behalf of the Administering Body or the Company.

(c) Procedures. Subject to the Company’s Charter or bylaws or any Board resolution conferring authority on the Committee, any action of the Administering Body with respect to the administration of this Plan shall be taken pursuant to a majority vote of the authorized number of members of the Administering Body or by the unanimous written consent of its members; *provided, however*, that (i) if the Administering Body is the Committee and consists of two members, then actions of the Administering Body must be unanimous, and (ii) if the Administering Body is the Board, actions taken by the Board shall be valid if approved in accordance with applicable law.

4.3 No Liability. No member of the Board or the Committee or any designee thereof will be liable for any action or inaction with respect to this Plan or any Award or any transaction arising under this Plan or any Award, except in circumstances constituting bad faith of such member.

4.4 Amendments.

(a) Plan Amendment. The Administering Body may, insofar as permitted by applicable law, rule or regulation, and subject to *Section 4.4(c)*, from time to time suspend or discontinue this Plan or revise or amend it in any respect whatsoever, and this Plan as so revised or amended will govern all Awards hereunder, including those granted before such revision or amendment. Without limiting the generality of the foregoing, the Administering Body is authorized to amend this Plan to comply with or take advantage of amendments to applicable laws, rules or regulations, including the Securities Act, Exchange Act, the IRC or the rules of any exchange or interdealer quotation system upon which the Common Stock is listed or traded. No stockholder approval of any amendment or revision shall be required unless (i) such approval is required by this Plan or by applicable law, rule or regulation or (ii) an amendment or revision to this Plan would materially increase the number of shares subject to this Plan (as adjusted under *Section 3.4*).

(b) Award Amendments. The Administering Body may, with the written consent of a Recipient, make such modifications in the terms and conditions of an Award as it deems advisable. Without limiting the generality of the foregoing, the Administering Body may, in its discretion with the written consent of the Recipient, at any time and from time to time after the grant of any Award accelerate or extend the vesting or exercise period of any Award as a whole or in part.

(c) Limitation. Except as otherwise provided in this Plan or in the applicable Award Document, no amendment, revision, suspension or termination of this Plan or any outstanding Award may impair or adversely affect any rights or obligations under any Award theretofore granted without the written consent of the Recipient to whom such Award was granted.

4.5 Other Compensation Plans. The adoption of this Plan shall not affect any other stock option, restricted stock, incentive or other compensation plans in effect from time to time for the Company, and this Plan shall not preclude the Company from establishing any other forms of incentive or other compensation for employees, directors, advisors or consultants of the Company, whether or not approved by stockholders.

4.6 Plan Binding on Successors. This Plan shall be binding upon the successors and assigns of the Company.

4.7 References to Successor Statutes, Regulations and Rules. Any reference in this Plan to a particular statute, regulation or rule shall also refer to any successor provision of such statute, regulation or rule.

4.8 Issuances for Compensation Purposes Only. This Plan is intended to constitute an “employee benefit plan,” as defined in Rule 405 promulgated under the Securities Act, and shall be administered accordingly.

4.9 Invalid Provisions. In the event that any provision of this Plan is found to be invalid or otherwise unenforceable under any applicable law, such invalidity or unenforceability shall not be construed as rendering any other provisions contained herein invalid or unenforceable, and all such other provisions shall be given full force and effect to the same extent as though the invalid and unenforceable provision were not contained herein.

4.10 Governing Law. This Plan shall be governed by and interpreted in accordance with the internal laws of the State of Delaware, without giving effect to the principles of the conflicts of laws thereof.

4.11 Interpretation. Headings herein are for convenience of reference only, do not constitute a part of this Plan, and will not affect the meaning or interpretation of this Plan. References herein to Sections or Articles are references to the referenced Section or Article hereof, unless otherwise specified.

**ARTICLE V
GENERAL AWARD PROVISIONS**

5.1 Participation in the Plan.

(a) Eligibility to Receive Awards. A person shall be eligible to receive grants of Awards under this Plan if, at the time of the grant of the Award, such person is an Eligible Person or has received an offer of employment from the Company; *provided, however*, that Awards granted to a person who has received an offer of employment will terminate and be forfeited without consideration if the employment offer is not accepted within such time as may be specified by the Company. Status as an Eligible Person will not be construed as a commitment that any Award will be granted under this Plan to an Eligible Person or to Eligible Persons, generally.

(b) Eligibility to Receive Incentive Stock Options. Incentive Stock Options may be granted only to Eligible Persons meeting the employment requirements of Section 422 of the IRC.

(c) Awards to Certain Eligible Persons. Notwithstanding anything to the contrary herein, the Administering Body may, in order to fulfill the purposes of this Plan, modify grants of Awards to Recipients who are foreign nationals or employed outside of the United States to recognize differences in applicable law, tax policy or local custom.

5.2 Award Documents. Each Award granted under this Plan must be evidenced by an agreement duly executed on behalf of the Company and by the Recipient, or by a confirming memorandum issued by the Company to the Recipient, setting forth such terms and conditions applicable to the Award as the Administering Body may in its discretion determine. Awards will not be deemed made or binding upon the Company, and Recipients will have no rights thereto, until such an agreement is entered into between the Company and the Recipient or such a memorandum is delivered by the Company to the Recipient, but an Award may have an effective date on or after the date of grant but prior to the date of such an agreement or memorandum. Award Documents may but need not be identical and shall comply with and be subject to the terms and conditions of this Plan, a copy of which shall be provided to each Recipient and incorporated by reference into each Award Document. Any Award Document may contain such other terms, provisions and conditions not inconsistent with this Plan as may be determined by the Administering Body. In case of any conflict between this Plan and any Award Document, this Plan shall control.

5.3 Exercise of Stock Options. No Stock Option shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded. A Stock Option shall be deemed to be exercised when the Secretary or other designated officer of the Company receives written notice of such exercise from the Recipient, together with payment of the exercise price made in accordance with *Section 5.4* and any amounts required under *Section 5.11* or, with permission of the Administering Body, arrangement for such payment. Notwithstanding any other provision of this Plan, the Company and/or the Administering Body may impose, by rule and/or in Award Documents, such conditions upon the exercise of Stock Options (including without limitation conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements including, without limitation, Rule 16b-3 and Rule 10b-5 under the Exchange Act, any amounts required under *Section 5.11*, or any applicable section of the IRC.

5.4 Payment For Awards.

(a) Payment of Exercise Price. The exercise price or other payment for an Award shall be payable upon the exercise of a Stock Option or upon other purchase of shares pursuant to an Award granted hereunder by delivery of legal tender of the United States or payment of such other consideration as the Administering Body may from time to time deem acceptable in any particular instance.

(b) Company Assistance. Subject to applicable laws and regulations, the Company may assist any person to whom an Award is granted hereunder (including without limitation any officer or director of the Company) in

Table of Contents

the payment of the purchase price or other amounts payable in connection with the receipt or exercise of that Award.

(c) Cashless Exercise. If permitted in any case by the Administering Body in its sole discretion, the exercise price for Awards may be paid by delivery of Common Stock to the Company by or on behalf of the person exercising the Award and duly endorsed in blank or accompanied by stock powers duly endorsed in blank, with signatures guaranteed in accordance with the Exchange Act if required by the Company, or retained by the Company from the stock otherwise issuable upon exercise or surrender of vested and/or exercisable Awards or other equity Awards previously granted to the Recipient and being exercised (if applicable) (in either case valued at Fair Market Value as of the exercise date); or such other consideration as the Administering Body may from time to time in the exercise of its discretion deem acceptable in any particular instance; *provided, however*, that, subject to applicable laws and regulations (i) the Company and/or the Administering Body may allow exercise of an Award in a broker-assisted or similar transaction in which the exercise price is not received by the Company until promptly after exercise, and/or (ii) the Administering Body may allow the Company to loan the exercise price to the person entitled to exercise the Award, if the exercise will be followed by a prompt sale of some or all of the underlying shares and a portion of the sale proceeds is dedicated to full payment of the exercise price and amounts required pursuant to *Section 5.11*.

(d) No Precedent. Recipients will have no rights to the assistance described in *Section 5.4(b)* or to the exercise techniques described in *Section 5.4(c)*, and the Company may offer or permit such assistance or techniques on an *ad hoc* basis to any Recipient without incurring any obligation to offer or permit such assistance or techniques on other occasions or to other Recipients.

5.5 No Employment Rights. Nothing contained in this Plan (or in Award Documents or in any other documents related to this Plan or to Awards granted hereunder) shall confer upon any Eligible Person or Recipient any right to continue in the employ of or engagement by the Company or any Affiliated Entity or constitute any contract or agreement of employment or engagement, or interfere in any way with the right of the Company or any Affiliated Entity to reduce such person's compensation or other benefits or to terminate the employment or engagement of such Eligible Person or Recipient, with or without cause. Except as expressly provided in this Plan or in any statement evidencing the grant of an Award pursuant to this Plan, the Company shall have the right to deal with each Recipient in the same manner as if this Plan and any such statement evidencing the grant of an Award pursuant to this Plan did not exist, including without limitation with respect to all matters related to the hiring, discharge, compensation and conditions of the employment or engagement of the Recipient. Any questions as to whether and when there has been a termination of a Recipient's employment or engagement, the reason (if any) for such termination, and/or the consequences thereof under the terms of this Plan or any statement evidencing the grant of an Award pursuant to this Plan shall be determined by the Administering Body and the Administering Body's determination thereof shall be final and binding.

5.6 Restrictions Under Applicable Laws and Regulations.

(a) Consents, Approvals. All Awards granted under this Plan shall be subject to the requirement that, if at any time the Company shall determine, in its discretion, that the listing, registration or qualification of the securities subject to Awards granted under this Plan upon any securities exchange or interdealer quotation system or under any federal, state or foreign law, or the consent or approval of any government or regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such an Award or the issuance, if any, or purchase of shares in connection therewith, such Award may not be exercised as a whole or in part unless and until such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company. During the term of this Plan, the Company will use its reasonable efforts to seek to obtain from the appropriate governmental and regulatory agencies any requisite qualifications, consents, approvals or authorizations in order to issue and sell such number of shares of its Common Stock as shall be sufficient to satisfy the requirements of this Plan. The inability of the Company to obtain any such qualifications, consents, approvals or authorizations it deems necessary shall relieve the Company of any liability

Table of Contents

in respect of the nonissuance or sale of such stock as to which such qualifications, consents, approvals or authorizations pertain.

(b) No Registration Obligation; Recipient Representations. The Company shall be under no obligation to register or qualify the issuance of Awards or underlying securities under the Securities Act or applicable state securities laws. Unless the issuance of Awards and underlying securities have been registered under the Securities Act and qualified or registered under applicable state securities laws, the Company shall be under no obligation to issue any Awards or underlying securities unless the Awards and underlying securities may be issued pursuant to applicable exemptions from such registration or qualification requirements. In connection with any such exempt issuance, the Administering Body may require the Recipient to provide a written representation and undertaking to the Company, satisfactory in form and scope to the Company and upon which the Company may reasonably rely, that such Recipient is acquiring such Awards and underlying securities for such Recipient's own account as an investment and not with a view to, or for sale in connection with, the distribution of any such securities, and that such person will make no transfer of the same except in compliance with any rules and regulations in force at the time of such transfer under the Securities Act and other applicable law, and that if securities are issued without registration, a legend to this effect (together with any other legends deemed appropriate by the Administering Body) may be endorsed upon the securities so issued. The Company may also order its transfer agent to stop transfers of such securities. The Administering Body may also require the Recipient to provide the Company such information and other documents as it may request in order to satisfy the Company as to the investment sophistication and experience of the Recipient and as to any other conditions for compliance with any such exemptions from registration or qualification.

5.7 Additional Conditions. Any Award may also be subject to such other provisions (whether or not applicable to any other Award or Recipient) as the Administering Body deems appropriate, including without limitation provisions to assist the recipient in financing the purchase of Common Stock through the exercise of Stock Options, provisions to assist the Recipient in financing the purchase of Common Stock through the exercise of Stock Options, provisions for the forfeiture of or restrictions on resale or other disposition of securities acquired under any Award, provisions giving the Company the right to repurchase securities acquired under any Award in the event the Recipient elects to terminate employment with the Company or dispose of such securities, and provisions to comply with federal and state securities laws and federal and state income tax withholding requirements.

5.8 No Privileges of Stock Ownership. Except as otherwise set forth herein, a Recipient or a permitted transferee of an Award shall have no rights as a stockholder with respect to any shares issuable or issued in connection with the Award until the date the Recipient has delivered to the Company all amounts payable and performed all obligations required to be performed in connection with the exercise of the Award, and the Company has issued such shares. Status as an Eligible Person shall not be construed as a commitment that any Award will be granted under this Plan to an Eligible Person or to Eligible Persons generally. No person shall have any right, title or interest in any fund or in any specific asset (including shares of capital stock) of the Company by reason of any Award granted hereunder. Neither this Plan (or any documents related hereto) nor any action taken pursuant hereto shall be construed to create a trust of any kind or a fiduciary relationship between the Company and any person. To the extent that any person acquires a right to receive an Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

5.9 Nonassignability. Unless the Administering Body shall otherwise determine on a case-by-case basis, no Award granted under this Plan shall be assignable or transferable except (i) by will or by the laws of descent and distribution, or (ii) subject to the final sentence of this *Section 5.9*, upon dissolution of marriage pursuant to a qualified domestic relations order. Unless the Administering Body shall otherwise determine on a case-by-case basis, during the lifetime of a Recipient, an Award granted to such person shall be exercisable only by the Recipient (or the Recipient's permitted transferee) or such person's guardian or legal representative. Notwithstanding the foregoing, (i) no Award owned by a Recipient subject to Section 16 of the Exchange Act may be assigned or transferred in any manner inconsistent with Rule 16b-3, and (ii) Incentive Stock Options (or

Table of Contents

other Awards subject to transfer restrictions under the IRC) may not be assigned, transferred or exercisable in violation of Section 422(b)(5) of the IRC (or any comparable or successor provision) or the regulations thereunder, and nothing herein is intended to allow such assignment or transfer.

5.10 Information to Recipients.

(a) The Company shall determine what, if any, financial and other information shall be provided to Recipients and when such financial and other information shall be provided after giving consideration to applicable federal and state laws, rules and regulations, including without limitation applicable federal and state securities laws, rules and regulations.

(b) The furnishing of financial and other information that is confidential to the Company shall be subject to the Recipient's agreement that the Recipient shall maintain the confidentiality of such financial and other information, shall not disclose such information to third parties, and shall not use the information for any purpose other than evaluating an investment in the Company's securities under this Plan. The Company may impose other restrictions on the access to and use of such confidential information and may require a Recipient to acknowledge the Recipient's obligations under this *Section 5.10(b)* (which acknowledgment shall not be a condition to Recipient's obligations under this *Section 5.10(b)*).

5.11 Withholding Taxes. Whenever the granting, vesting or exercise of any Award, or the issuance of any Common Stock or other securities upon exercise of any Award or transfer thereof, gives rise to tax or tax withholding liabilities or obligations, the Company shall have the right to require the Recipient to remit to the Company an amount sufficient to satisfy any federal, state and local withholding tax requirements arising in connection therewith. The Administering Body may, in the exercise of its discretion, allow satisfaction of tax withholding requirements by accepting delivery of shares of Common Stock of the Company or by withholding a portion of shares otherwise issuable in connection with an Award, in each case valued at Fair Market Value as of the date of such delivery or withholding.

5.12 Legends on Awards and Stock Certificates. Each Award Document and each certificate representing securities acquired upon vesting or exercise of an Award shall be endorsed with all legends, if any, required by applicable federal and state securities and other laws to be placed on the Award Document and/or the certificate. The determination of which legends, if any, shall be placed upon Award Documents or the certificates shall be made by the Administering Body and such decision shall be final and binding.

5.13 Effect of Termination of Employment on Awards.

(a) **Termination of Vesting.** Awards will be exercisable by a Recipient (or the Recipient's successor-in-interest) following such Recipient's termination of employment with or service to the Company or any Affiliated Entity only to the extent that installments thereof had become exercisable on or prior to the date of such termination.

(b) **Alteration of Vesting and Exercise Periods.** Notwithstanding anything to the contrary herein, (i) the Administering Body may, in its discretion, designate shorter or longer periods for the vesting or exercise of any Award, or the lapse of transfer or other restrictions pertaining thereto, following a Recipient's termination of employment with the Company or any Affiliated Entity, *provided, however*, that any shorter periods determined by the Administering Body shall be effective only if provided for in the Award Document that evidences the grant to the Recipient of such Award or if such shorter period is agreed to in writing by the Recipient; and (ii) the Administering Body may, in its discretion, elect to accelerate the vesting of all or any portion of any Award that had not become exercisable on or prior to the date of such termination or to extend the vesting period beyond the date of such termination.

(c) **Leave of Absence.** In the case of any employee on an approved leave of absence, the Administering Body may make such provision respecting continuance of Awards granted to such employee as the Administering Body in its discretion deems appropriate.

5.14 Limits on Awards to Eligible Persons. Notwithstanding any other provision of this Plan, in order for the compensation attributable to Awards hereunder to qualify as Performance-Based Compensation, no one Eligible Person shall be granted any Awards with respect to more than 100,000 shares of Common Stock in any one calendar year. The limitation set forth in this *Section 5.14* shall be subject to adjustment as provided in *Section 3.4* or under *Article VII*, but only to the extent such adjustment would not affect the status of compensation attributable to Awards hereunder as Performance-Based Compensation.

5.15 Lock-Up Agreements. Each Recipient agrees as a condition to receipt of an Award that, in connection with any public offering by the Company of its equity securities and upon the request of the Company and the principal underwriter (if any) in such public offering, any shares of Common Stock acquired or that may be acquired upon exercise or vesting of an Award may not be sold, offered for sale, encumbered, or otherwise disposed of or subjected to any transaction that will involve any sales of securities of the Company, without the prior written consent of the Company or such underwriter, as the case may be, for a period of not more than 365 days after the effective date of the registration statement for such public offering. Each Recipient will, if requested by the Company or the principal underwriter, enter into a separate agreement to the effect of this *Section 5.15*.

ARTICLE VI AWARDS

6.1 Stock Options.

(a) Nature of Stock Options. Stock Options may be Incentive Stock Options or Nonqualified Stock Options.

(b) Option Exercise Price. The exercise price for each Stock Option shall be determined by the Administering Body as of the date such Stock Option is granted. The exercise price shall be no less than the Fair Market Value of the Common Stock subject to the Stock Option as of the date of grant. Subject to approval by the stockholders, the Administering Body may, with the consent of the Recipient and subject to compliance with statutory or administrative requirements applicable to Incentive Stock Options, amend the terms of any Stock Option to provide that the exercise price of the shares remaining subject to the Stock Option shall be reestablished at a price not less than 100% of the Fair Market Value of the Common Stock on the effective date of the amendment. No modification of any other term or provision of any Stock Option that is amended in accordance with the foregoing shall be required, although the Administering Body may, in its discretion, make such further modifications of any such Stock Option as are not inconsistent with this Plan.

(c) Option Period and Vesting. Stock Options granted hereunder shall vest and may be exercised as determined by the Administering Body, except that exercise of such Stock Options after termination of the Recipient's employment by or service to the Company shall be subject to *Section 5.13*. Each Stock Option granted hereunder and all rights or obligations thereunder shall expire on such date as shall be determined by the Administering Body, but not later than ten years after the date the Stock Option is granted (or, for Nonqualified Stock Options, such date later than ten years after the Stock Option is granted as shall be determined in the discretion of the Administering Body) and shall be subject to earlier termination as provided herein or in the Award Document. The Administering Body may, in its discretion at any time and from time to time after the grant of a Stock Option, accelerate vesting of such Stock Option as a whole or part by increasing the number of shares then purchasable, provided that the total number of shares subject to such Stock Option may not be increased. Except as otherwise provided herein, a Stock Option shall become exercisable, as a whole or in part, on the date or dates specified by the Administering Body and thereafter shall remain exercisable until the exercise, expiration or earlier termination of the Stock Option.

(d) Termination. Unless determined otherwise by the Administering Body in its sole discretion, Stock Options shall expire on the earliest of (i) one year from the date on which the Recipient ceases to be an Eligible

Table of Contents

Person for any reason other than death; (ii) one year from the date of the Recipient's death; or (iii) with respect to each installment of such Stock Option, the fifth anniversary of the vesting date of such installment. If a Recipient who is an employee of the Company or any Affiliated Entity ceases for any reason to be such an employee, that portion of the Stock Option that has not yet vested shall terminate, unless the Administering Body accelerates the vesting schedule in its sole discretion (in which case, the Administering Body may impose whatever conditions it considers appropriate on the accelerated portion). Stock Options granted to a Recipient who is not such an employee may be made subject to such other termination provisions as determined appropriate by the Administering Body.

(e) Special Provisions Regarding Incentive Stock Options.

(i) Notwithstanding anything herein to the contrary, the exercise price and vesting period of any Stock Option intended to qualify as an Incentive Stock Option shall comply with the provisions of Section 422 of the IRC and the regulations thereunder. As of the Effective Date, such provisions require, among other matters, that (A) the exercise price must not be less than the Fair Market Value of the underlying stock as of the date the Incentive Stock Option is granted, and not less than 110% of the Fair Market Value as of such date in the case of a grant to a Significant Stockholder; and (B) that the Incentive Stock Option not be exercisable after the expiration of ten years from the date of grant of such Incentive Stock Option, or the expiration of five years from the date of grant in the case of an Incentive Stock Option granted to a Significant Stockholder.

(ii) If for any reason other than death or Permanent Disability, the employment or service of a Recipient of Incentive Stock Options with the Company or any Affiliated Entity terminates, such Recipient's Incentive Stock Options, whether or not vested, shall cease to qualify as such and will be treated as Nonqualified Stock Options as of the earlier of: (A) the date such Incentive Stock Options would expire in accordance with their terms had the Recipient remained employed with or in service to the Company or any Affiliated Entity; and (B) three months after the date of termination of the Recipient's employment or service.

(iii) If as a result of death or Permanent Disability, the employment or service of a Recipient of Incentive Stock Options with the Company or any Affiliated Entity terminates, such Recipient's Incentive Stock Options, whether or not vested, shall cease to qualify as such and will be treated as Nonqualified Stock Options as of the earlier of: (A) the date such Incentive Stock Options would expire in accordance with their terms had the Recipient remained employed with the Company or any Affiliated Entity; and (B) one year after the date of termination of the Recipient's employment or service.

(iv) The aggregate Fair Market Value (determined as of the respective date or dates of grant) of the Common Stock for which one or more Stock Options granted to any Recipient under this Plan (or any other option plan of the Company or any Parent Corporation or Subsidiary Corporation) may for the first time become exercisable as Incentive Stock Options under such plans during any one calendar year shall not exceed \$100,000.

(v) Award Documents evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to comply with the applicable provisions of Section 422 of the IRC.

(vi) Any Stock Options granted as Incentive Stock Options pursuant to this Plan that for any reason fail or cease to qualify as such shall be treated as Nonqualified Stock Options. If the limit described in *Section 6.1(e)(iv)* is exceeded, the earliest granted Stock Options will be treated as Incentive Stock Options, up to such limit.

6.2 Performance Awards.

(a) Grant of Performance Awards. The Administering Body shall determine in its discretion the pre-established, objective performance criteria (which need not be identical and may be established on an

Table of Contents

individual or group basis) governing Performance Awards, the terms thereof, and the form and time of payment of Performance Awards.

(b) Payment of Performance Awards. Upon satisfaction of the conditions applicable to a Performance Award, payment will be made to the Recipient in shares of Common Stock valued at Fair Market Value as of the date payment is due.

6.3 Restricted Stock.

(a) Award of Restricted Stock. The Administering Body shall determine the Purchase Price (if any), the terms of payment of the Purchase Price, the restrictions upon the Restricted Stock, and when such restrictions shall lapse.

(b) Requirements of Restricted Stock. All shares of Restricted Stock granted or sold pursuant to this Plan will be subject to the following conditions:

(i) No Transfer. The shares may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, alienated or encumbered until the restrictions are removed or expire;

(ii) Certificates. The Company may require that the certificates representing Restricted Stock granted or sold to a Recipient pursuant to this Plan remain in the physical custody of an escrow holder or the Company until all restrictions are removed or expire;

(iii) Restrictive Legends. Each certificate representing Restricted Stock granted or sold to a Recipient pursuant to this Plan will bear such legend or legends making reference to the restrictions imposed upon such Restricted Stock as the Company deems necessary or appropriate to enforce such restrictions; and

(iv) Other Restrictions. The Administering Body may impose such other conditions on Restricted Stock as the Administering Body may deem advisable, including, without limitation, restrictions under the Securities Act, under the Exchange Act, under the requirements of any stock exchange or interdealer quotation system upon which such Restricted Stock or shares of the same class are then listed or traded and under any blue sky or other securities laws applicable to such shares.

(c) Lapse of Restrictions. The restrictions imposed upon Restricted Stock will lapse in accordance with such terms or other conditions as are determined by the Administering Body.

(d) Rights of Recipient. Subject to the provisions of *Section 6.3(b)* and any restrictions imposed upon the Restricted Stock, the Recipient will have all rights of a stockholder with respect to the Restricted Stock granted or sold to such Recipient under this Plan, including, without limitation, the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto.

(e) Termination of Employment. Unless the Administering Body in its discretion determines otherwise, if a Recipient's employment with the Company or any Affiliated Entity terminates for any reason, all of the Recipient's Restricted Stock remaining subject to restrictions on the date of such termination of employment shall be repurchased by the Company at the Purchase Price (if any) paid by the Recipient to the Company, without interest or premium, and otherwise returned to the Company without consideration.

6.4 Stock Appreciation Rights.

(a) Granting of Stock Appreciation Rights. The Administering Body may at any time and from time to time approve the grant to Eligible Persons of Stock Appreciation Rights, related or unrelated to Stock Options.

(b) Stock Appreciation Rights Related to Options.

(i) A Stock Appreciation Right granted in connection with a Stock Option granted under this Plan will entitle the holder of the related Stock Option, upon exercise of the Stock Appreciation Right, to surrender

Table of Contents

such Stock Option, or any portion thereof to the extent previously vested but unexercised, with respect to the number of shares as to which such Stock Appreciation Right is exercised, and to receive payment of an amount computed pursuant to *Section 6.4(b)(iii)*. Such Stock Option will, to the extent surrendered, then cease to be exercisable.

(ii) A Stock Appreciation Right granted in connection with a Stock Option hereunder will be exercisable only when, and only to the extent that, the related Stock Option is exercisable, will not be transferable except to the extent that such related Stock Option may be transferable, will not expire later than the underlying Stock Option, and will be exercisable only when the Fair Market Value of the Common Stock subject to the underlying Stock Option exceeds the exercise price of such Stock Option.

(iii) Upon the exercise of a Stock Appreciation Right related to a Stock Option, the Recipient will be entitled to receive payment of an amount determined by multiplying (A) the difference obtained by subtracting the exercise price of a share of Common Stock specified in the related Stock Option from the Fair Market Value of a share of Common Stock on the date of exercise of such Stock Appreciation Right (or as of such other date or as of the occurrence of such event as may have been specified in the instrument evidencing the grant of the Stock Appreciation Right), by (B) the number of shares as to which such Stock Appreciation Right is exercised.

(c) Stock Appreciation Rights Unrelated to Options. The Administering Body may grant Stock Appreciation Rights unrelated to Stock Options to Eligible Persons. Section 6.4(b)(iii) shall be used to determine the amount payable at exercise under such Stock Appreciation Right, except that in lieu of the exercise price specified in the related Stock Option, the initial base amount specified in the Award shall be used.

(d) Limits. Notwithstanding the foregoing, the Administering Body, in its discretion, may place a dollar limitation on the maximum amount that will be payable upon the exercise of a Stock Appreciation Right under this Plan.

(e) Payments. Payment of the amount determined under the foregoing provisions may be made solely in whole shares of Common Stock valued at their Fair Market Value on the date of exercise of the Stock Appreciation Right or, alternatively, at the sole discretion of the Administering Body, in cash or in a combination of cash and shares of Common Stock as the Administering Body deems advisable. The Administering Body has full discretion to determine the form in which payment of a Stock Appreciation Right will be made and to consent to or disapprove the election of a Recipient to receive cash in full or partial settlement of a Stock Appreciation Right. If the Administering Body decides to make full payment in shares of Common Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

6.5 Stock Payments. The Administering Body may approve Stock Payments of the Company's Common Stock to any Eligible Person for all or any portion of the compensation (other than base salary) or other payment that would otherwise become payable by the Company to the Eligible Person in cash, on such terms and conditions as the Administering Body may determine. Stock Payments will replace such cash payments at the Fair Market Value of the Common Stock on the date payment is due.

6.6 Dividend Equivalents. The Administering Body may grant Dividend Equivalents to any Recipient who has received a Stock Option, Stock Appreciation Right or other Award denominated in shares of Common Stock. Dividend Equivalents may be paid in cash, Common Stock or other Awards; the amount of Dividend Equivalents paid other than in cash shall be determined by the Administering Body by application of such formula as the Administering Body may deem appropriate to translate the cash value of dividends paid to the alternative form of payment of the Dividend Equivalent. Dividend Equivalents shall be computed as of each dividend record date and shall be payable to recipients thereof at such time as the Administering Body may determine. Notwithstanding the foregoing, the payment of a Dividend Equivalent with respect to a Stock Option intended to constitute Performance-Based Compensation shall not be contingent upon the exercise of such Stock Option.

Table of Contents

6.7 Stock Bonuses. The Administering Body may issue shares of Common Stock to Eligible Persons as bonuses for services rendered or for any other valid consideration on such terms and conditions as the Administering Body may determine.

6.8 Stock Sales. The Administering Body may sell to Eligible Persons shares of Common Stock on such terms and conditions as the Administering Body may determine.

6.9 Phantom Stock. The Administering Body may grant Awards of Phantom Stock. Phantom Stock is a cash bonus granted under this Plan measured by the Fair Market Value of a specified number of shares of Common Stock on a specified date, or measured by the excess of such Fair Market Value over a specified minimum, which may but need not include a Dividend Equivalent.

6.10 Other Stock-Based Benefits. The Administering Body is authorized to grant Other Stock-Based Benefits. Other Stock-Based Benefits are any arrangements granted under this Plan not otherwise described above that (a) by their terms might involve the issuance or sale of Common Stock or (b) involve a benefit that is measured, as a whole or in part, by the value, appreciation, dividend yield or other features attributable to a specified number of shares of Common Stock.

6.11 Termination of Employment. Except as otherwise provided for in this Plan or determined by the Administering Body in its discretion, all Awards granted to a Recipient, and all of such Recipient's rights thereunder, shall terminate upon termination for any reason of such Recipient's employment with the Company or any Affiliated Entity (or cessation of any other service relationship between the Recipient and the Company or any Affiliated Entity in place as of the date the Award was granted).

ARTICLE VII REORGANIZATIONS

7.1 Corporate Transactions Not Involving a Change in Control. If the Company shall consummate any Reorganization not involving a Change of Control in which holders of shares of Common Stock are entitled to receive in respect of such shares any securities, cash or other consideration (including without limitation a different number of shares of Common Stock), each Award outstanding under this Plan shall thereafter be exercisable, in accordance with this Plan, only for the kind and amount of securities, cash and/or other consideration receivable upon such Reorganization by a holder of the same number of shares of Common Stock as are subject to that Award immediately prior to such Reorganization, and any adjustments will be made to the terms of the Award in the sole discretion of the Administering Body as it may deem appropriate to give effect to the Reorganization.

7.2 Corporate Transactions Involving a Change in Control. Unless otherwise set forth in an Award Document or in this *Section 7.2*, as of the effective time and date of any Change in Control, this Plan and any then outstanding Awards (whether or not vested) shall automatically terminate unless (a) provision is made in writing in connection with such transaction for the continuance of this Plan and for the assumption of such Awards, or for the substitution for such Awards of new awards covering the securities of a successor entity or an affiliate thereof, with appropriate adjustments as to the number and kind of securities and exercise prices or other measurement criteria, in which event this Plan and such outstanding Awards shall continue or be replaced, as the case may be, in the manner and under the terms so provided; or (b) the Board otherwise shall provide in writing for such adjustments as it deems appropriate in the terms and conditions of the then-outstanding Awards (whether or not vested), including without limitation (i) accelerating the vesting of outstanding Awards and/or (ii) providing for the cancellation of Awards and their automatic conversion into the right to receive the securities, cash or other consideration that a holder of the shares underlying such Awards would have been entitled to receive upon consummation of such Change in Control had such shares been issued and outstanding immediately prior to the effective date and time of the Change in Control (net of the appropriate option exercise

prices). If, pursuant to the foregoing provisions of this *Section 7.2*, this Plan and the Awards shall terminate by reason of the occurrence of a Change in Control without provision for any of the actions described in clause (a) or (b) hereof, then subject to *Section 5.13* and *Section 6.11*, any Recipient holding outstanding Awards shall have the right, at such time immediately prior to the consummation of the Change in Control as the Board shall designate, to exercise or receive the full benefit of the Recipient's Awards to the full extent not theretofore exercised, including any installments which have not yet become vested.
