Dear Stockholder:

You are cordially invited to attend the 2023 Annual Meeting of Stockholders (the "Annual Meeting") of Salem Media Group, Inc. ("Salem," the "Company," "we," "us" or "our"). The Annual Meeting is scheduled to be held in a virtual format only on Wednesday, May 17, 2023, at 11:30 a.m. C.D.T at www.virtualshareholdermeeting.com/SALM2023. You will not be able to attend the Annual Meeting physically. To be admitted to the virtual Annual Meeting, stockholders must enter their control number on the virtual meeting website. A stockholder's control number may be found either on their proxy card or on their notice regarding availability of proxy materials.

As described in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement, the agenda for the Annual Meeting includes:

1. The election of the seven (7) nominees named in the accompanying Proxy Statement to the Board of Directors to serve until the next Annual Meeting of Stockholders or until their respective successors are duly elected and qualified.
2. Ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.
3. Approval of an amendment to the Company's Amended and Restated Certificate of Incorporation to reflect new Delaware law provisions regarding officer exculpation.
4. To transact any other business that properly comes before the Annual Meeting or any adjournments or postponements thereof.

The Board of Directors recommends that you vote **FOR** the election of the slate of Director nominees, and **FOR** the ratification of the appointment of Moss Adams LLP as the Company's independent registered public accounting firm, and **FOR** approval of an amendment to the Company's Amended and Restated Certificate of Incorporation to reflect new Delaware law provisions regarding officer exculpation. Directors and executive officers of Salem will be present at the Annual Meeting to respond to questions that our stockholders may have regarding the business to be transacted. Our directors and executive officers expect to participate virtually in the Annual Meeting to respond to questions that our stockholders may have regarding the business to be transacted. Stockholders may vote and ask questions during the Annual Meeting by following the instructions available on the virtual meeting website during the meeting.

As we have done in prior years, we are using the U.S. Securities and Exchange Commission rule that permits companies to furnish their proxy materials over the Internet. Unless you have opted out of receiving notice of Internet availability of our proxy materials ("Notice"), instead of mailing you a paper copy of the proxy materials, we will be mailing to you a Notice containing instructions on how to access our proxy materials over the Internet. Therefore, a proxy card was not sent to you and you may vote only via telephone or online if you do not attend the Annual Meeting through the virtual meeting website.

We urge you to vote your proxy as soon as possible. Your vote is very important, regardless of the number of shares you own. Whether or not you plan to attend the Annual Meeting in person (by participating through the virtual meeting website), we urge you to vote your shares online, by telephone or, if you have chosen to receive paper copies of the proxy materials by mail, by signing, dating and returning the enclosed proxy card promptly in the accompanying postage prepaid envelope. You may, of course, attend the Annual Meeting virtually and vote in person via the virtual meeting website even if you have previously returned your proxy card. The approximate date on which this Proxy Statement and the enclosed proxy card and Notice are first being sent or made available to stockholders is April 3, 2023. On behalf of the Board of Directors and all our employees, we wish to thank you for your support.

Sincerely yours,

INTRODUCTION

This proxy statement (“Proxy Statement”) is furnished in connection with the solicitation by the Board of Directors (the “Board” or the “Board of Directors”) of Salem Media Group, Inc., a Delaware corporation (“Salem,” the “Company,” “we,” “us” or “our”), of proxies for use at our 2023 Annual Meeting of Stockholders of the Company (the “Annual Meeting”) scheduled to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

References in this Proxy Statement to “attending the Annual Meeting in person”, being “present at the Annual Meeting in person”, “voting in person at the Annual Meeting” and similar references mean attending, being present or voting through the virtual Annual Meeting website www.virtualshareholdermeeting.com/SALM2023. To be admitted to the virtual Annual Meeting, stockholders must enter their control number on the virtual meeting website. A stockholder’s control number may be found either on their proxy card or on their notice regarding availability of proxy materials.

INFORMATION REGARDING VOTING AT THE ANNUAL MEETING

General

At the Annual Meeting, our stockholders are being asked to consider and to vote upon the following proposals:

Proposal 1 The election of the seven (7) nominees named in this Proxy Statement to serve until the annual meeting of stockholders to be held in 2024 or until their respective successors are duly elected and qualified.

For information regarding this proposal, see the section of this Proxy Statement entitled “PROPOSAL 1—ELECTION OF DIRECTORS.”

Proposal 2 Ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023.

For information regarding this proposal, see the section of this Proxy Statement entitled “PROPOSAL 2—PROPOSAL TO RATIFY THE APPOINTMENT OF MOSS ADAMS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.”

Proposal 3 Approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation to reflect new Delaware law provisions regarding officer exculpation.

For information regarding this proposal, see the section of this Proxy Statement entitled “PROPOSAL 3— APPROVAL OF AN AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REFLECT NEW DELAWARE LAW PROVISIONS REGARDING OFFICER EXCULPATION

Shares represented by properly executed proxies received by us will be voted at the Annual Meeting in the manner specified therein or, if no instructions are marked on the enclosed proxy card, in accordance with the recommendation of the Board of Directors on all matters presented in this Proxy Statement. Although management does not know of any matter other than the proposals described above to be acted upon at the Annual Meeting, unless contrary instructions are given, shares represented by valid proxies will be voted by the persons named on the accompanying proxy card in accordance with their respective best judgment in respect of any other matters that may properly be presented for a vote at the Annual Meeting.

[Table of Contents](#)

Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person (by participating through the virtual meeting website), and any person giving a proxy has the right to revoke it at any time before it is exercised by: (a) filing with our Secretary either a duly executed written notice dated subsequent the proxy revoking it or a duly executed proxy bearing a later date, or (b) attending the Annual Meeting and voting in person (by participating through the virtual meeting website).

The mailing address of our principal executive offices is 6400 N. Belt Line Road, Irving, Texas 75063, and our telephone number is (469) 586-0080.

Record Date, Quorum and Voting

Only stockholders of record on March 22, 2023 (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. There were outstanding on the Record Date 21,663,091 shares of Class A common stock, par value \$0.01 per share ("Class A common stock"), and 5,553,696 shares of Class B common stock, par value \$0.01 per share ("Class B common stock") (the Class A common stock and the Class B common stock are collectively referred to as the "common stock"). Each share of outstanding Class A common stock is entitled to one (1) vote on each matter to be voted on at the Annual Meeting and each share of outstanding Class B common stock is entitled to ten (10) votes on each matter to be voted on at the Annual Meeting, except that, as provided in our Amended and Restated Certificate of Incorporation, the holders of Class A common stock shall be entitled to vote as a class, exclusive of the holders of the Class B common stock, to elect two (2) "Independent Directors." The two (2) Independent Director nominees receiving the largest number of votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of the Independent Directors will be elected; the remaining five (5) director nominees receiving the largest number of votes of the shares of Class A common stock and Class B common stock, voting as a single class, present in person or represented by proxy and entitled to vote on the election of directors will be elected. For information regarding the election of directors, see the section of this Proxy Statement entitled "PROPOSAL 1— ELECTION OF DIRECTORS."

The presence in person or representation by proxy of the holders of at least a majority of the voting power of the common stock issued and outstanding and entitled to vote is necessary to constitute a quorum for the transaction of business at the Annual Meeting. If there are not sufficient shares for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Only votes cast in person at the Annual Meeting or received by proxy before the beginning of the Annual Meeting will be counted. Giving us your proxy means you authorize the proxy holders to vote your shares at the Annual Meeting in the manner you direct. If your shares are held in your name, you can vote by proxy in three (3) convenient ways as follows:

- **On-Line Voting:** Go to <http://www.proxyvote.com> and follow the instructions
- **By Telephone:** Call toll-free 1-800-690-6903 and follow the instructions
- **By Mail:** Complete, sign, date and return your proxy card in the enclosed envelope

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. E.S.T. on May 16, 2023.

Under Delaware law, our Amended and Restated Certificate of Incorporation, as amended, and Bylaws, abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. Regarding Proposal 1, you may vote for the election of all director nominees, withhold authority to vote for all director nominees, or vote for the election of one or more of the director nominees and withhold authority to vote for one or more of the director nominees. Votes that are withheld will not be included in the vote tally for Proposal 1 and will not affect the results of that vote. With regard to Proposal 2 and Proposal 3, votes may be cast in favor of the proposal, against the proposal, or you may abstain from voting.

[Table of Contents](#)

The director nominees proffered in Proposal 1 each require the largest number of votes of the shares of common stock present in person or represented by proxy and entitled to vote thereon. For two (2) of the seven (7) open director positions, only the holders of the Class A common stock are entitled to vote and the two (2) director nominees receiving the largest number of votes of the shares of Class A common stock present in person or represented by proxy and entitled to vote on the election of these nominees will be elected. For the remaining five (5) director positions, all stockholders are entitled to vote and the five (5) director nominees receiving the largest number of votes of the shares of common stock present in person or represented by proxy and entitled to vote on the election of these nominees will be elected.

Proposal 2, Proposal 3, and any other stockholder proposals that properly come before the Annual Meeting require, in general, the affirmative vote of a majority of the voting power of the shares of Class A common stock and Class B common stock, voting as a single class, present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter. For Proposal 2 and Proposal 3, abstentions will be counted in tabulations of the votes cast on a proposal and will have the same effect as a vote against the proposal, whereas broker non-votes will not be counted for purposes of determining whether the proposal has been approved. If you hold shares of our common stock through a broker, bank or other nominee, then you hold shares in street name. Thus, you must instruct the broker, bank or other nominee as to how to vote your shares. If you do not provide these instructions, the firm that holds your shares will have discretionary authority to vote your shares with respect to “routine” matters. Proposal 1 and Proposal 3 are not considered “routine” matters; thus, your broker will not have discretionary authority to vote your shares in connection with Proposal 1 or Proposal 3 if you do not provide it with instructions. On the other hand, Proposal 2 is a “routine” matter.

Electronic Access to Proxy Materials

Pursuant to applicable United States Securities and Exchange Commission (“SEC”) rules, we are making this Proxy Statement and our Annual Report on Form 10-K available to our stockholders electronically via the Internet at www.proxyvote.com. On or about April 3, 2023, we will mail to stockholders a notice (“Notice”) containing instructions on how to access this Proxy Statement along with our Annual Report on Form 10-K over the Internet, as well as instructions on how to vote online. The Notice also instructs you on how you may submit your proxy vote securely over the Internet or by telephone and contains your control number to access the Annual Meeting through the virtual meeting website. If you received a Notice, you will not automatically receive a printed copy of the Proxy Statement and Annual Report. If you would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials as set forth in the Notice.

Solicitation

The cost of preparing, assembling and sending the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card will be paid by us. Following the delivery of this Proxy Statement, directors, officers and other employees may solicit proxies by mail, telephone, facsimile or other electronic means, or by personal interview. These persons will receive no additional compensation for their services. Brokerage houses and other nominees, fiduciaries and custodians nominally holding shares of Class A common stock of record will be requested to forward proxy soliciting material to the beneficial owners of the shares and will be reimbursed by us for their reasonable charges and expenses in connection therewith.

Householding

With regard to the delivery of Annual Reports and Proxy Statements, under certain circumstances the SEC permits a single set of these documents or, where applicable, one Notice, to be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder, however, still receives a separate proxy card. This procedure, known as “householding,” reduces the amount of duplicate information received at a household and reduces delivery and printing costs as well. A number of banks, brokers and other firms have instituted householding and have previously sent a notice to that effect to certain of our

[Table of Contents](#)

stockholders whose shares are registered in the name of the bank, broker or other firm. As a result, unless the stockholders receiving the notice gave contrary instructions, only one Annual Report and/or Proxy Statement, as applicable, will be delivered to an address at which two (2) or more stockholders reside. If any stockholder residing at the address wishes to receive a separate Annual Report or Proxy Statement for the Annual Meeting or for future stockholder meetings, the stockholder should telephone toll-free 1-800-579-1639, or write to Salem Media Group, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. A separate set of proxy materials relating to the Annual Meeting will be sent promptly following receipt of your request. In addition, if any stockholder who previously consented to householding desires to receive a separate copy of a Proxy Statement or Annual Report, as applicable, for each stockholder at his or her same address, the stockholder should contact his or her bank, broker or other firm in whose name the shares are registered or contact us at the address or telephone number listed on page 1 of this Proxy Statement. Similarly, a stockholder may use any of these methods if the stockholder is receiving multiple copies of a Proxy Statement or Annual Report and would prefer to receive a single copy in the future.

THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS

Board of Directors

At the Annual Meeting, seven nominees will be elected as directors (each, a “Director” or “Director Nominee”, as applicable). Our Board of Directors currently consists of seven (7) members, all of whom are standing for re-election at the Annual Meeting. At the 2022 Annual Meeting, our stockholders elected, Edward G. Board Composition

As a national media presence with integrated operations including radio broadcasting, digital media, and publishing emphasizing Christian values, family-themed content and conservative news, our business involves an operational structure that operates on a broad scale and encompasses research, technical developments, and marketing functions in a context characterized by rapidly evolving technologies, exposure to business cycles, and significant competition. Our Nominating and Corporate Governance Committee is responsible for reviewing and assessing with the Board the appropriate skills, experience, and background sought of Board members in the context of our business and the then-current membership on the Board. This assessment of Board skills, experience, and background includes numerous diverse factors, such as an understanding of and experience in radio and new media, an understanding of our audience and the ministries that serve it, and finance, marketing and advertising experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board with regard to these factors may change from time to time to take into account changes in our business and other trends, as well as the portfolio of skills and experience of current and prospective Board members. The Nominating and Corporate Governance Committee and the Board will review and assess the continued relevance of and emphasis on these factors as part of the Board’s annual self-assessment process and in connection with candidate searches to determine if they are effective in helping to satisfy the Board’s goal of creating and sustaining a Board that can appropriately support and oversee our activities.

We believe that it is important for our Board members to have diverse backgrounds, skills and experiences and seek this diversity in nominating Director candidates. One goal of this diversity of backgrounds, skills and experience is to assist the Board in its oversight concerning our business and operations. We consider the key skills, qualifications and experience listed below as important for our Directors to collectively have in light of our current business and structure. The Directors’ biographies provided later in this Proxy Statement note each Director’s relevant skills, qualifications and experience. As part of an annual effectiveness review, the Board evaluates its composition to ensure that the Board as a whole sufficiently represents a diverse set of relevant backgrounds, skills and experience.

- *Senior Executive Leadership Experience.* Directors who have served in senior executive leadership positions are important to us, as they bring experience and perspective in analyzing, shaping, and

overseeing the execution of important operational and policy issues at a senior level. The insights and guidance of these Directors, particularly those who have experience at businesses or organizations that have operated on a global scale, faced significant competition, and/or involved technology or other rapidly evolving business models enhance our Board's ability to assess and respond to situations we face.

- *Public Company Board Experience.* Directors who have served on other public company boards can offer insights with regard to the dynamics and operation of a board of directors, corporate governance matters (including experience with respect to the relationship of a board of directors to the CEO and other management personnel), the importance of particular public company agenda and management matters and oversight of a changing mix of strategic, operational, and compliance-related matters.
- *Business Development Experience.* Directors who have a background in business development can provide insight into developing and implementing strategies for growing our business through acquisitions.
- *Accounting and Financial Reporting Experience.* Knowledge of accounting and financial reporting processes, as well as the financial markets, financing and funding operations, is important because it assists our Directors in understanding and overseeing our financial reporting, internal controls, capital structure, financing and investing activities.
- *Relevant Experience with our Audiences and Programmers.* Directors who have relevant experience with the Christian and family-themed audience and the conservative news talk audience can provide insight and expertise in assisting the Board's implementation of strategies for growing our business by providing an engaging experience with our radio stations, Internet sites and other services. Directors with experience and knowledge of the business of our programmers and content providers can also assist the Board with analyzing, reviewing and approving mutually beneficial and significant relationships between our content providers.
- *Legal Expertise.* Directors who have legal education and experience can assist the Board in fulfilling its responsibilities related to the oversight of our legal and regulatory compliance and engagement with regulatory authorities.
- *Radio Experience.* Knowledge of the radio industry and the challenges and opportunities of radio broadcasting companies is vitally important because it enables our Directors to understand and oversee many aspects of our operations, goals and strategies.
- *New Media Experience.* As the radio industry is faced with challenges and opportunities created by the emergence of "new media", the Board benefits from including Directors who have relevant experience with these new and emerging means of distributing programming and enhancing our audience's ability to access information provided by us via different media outlets.

Set forth below is certain information concerning the principal occupation and business experience of each of the Directors and Director Nominees during the past five (5) years and other relevant experience.

Director Independence and Executive Sessions

Our Board of Directors evaluated the independence of each of our Directors and Director Nominees pursuant to the listing standards of the NASDAQ Stock Market (“NASDAQ Rules”). During this review, which included a review of the transactions and relationships described in the section of this Proxy Statement entitled “CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS” below, the Board of Directors considered various transactions and relationships among Directors and Director Nominees (and their respective affiliates or family members), members of our senior management, affiliates and subsidiaries of ours and certain other parties that occurred during the past two (2) fiscal years. This review was conducted to determine whether, under the NASDAQ Rules, these relationships or transactions would affect the Board of Directors’ determination as to each Director and Director Nominee’s independence.

Upon conclusion of this review, the Board of Directors determined that, of the Directors up for election at the Annual Meeting, a majority of the Board (consisting of Mr. Riddle, Mr. Halvorson, Ms. Grizzle and Ms. Pick) is independent under the NASDAQ Rules.

The NASDAQ Rules also require that independent members of the Board of Directors meet periodically in executive sessions during which only independent Directors are present. Our independent Directors have met separately in executive sessions and in the future will regularly meet in executive sessions as required by the NASDAQ Rules.

Committees of the Board of Directors

Our Board of Directors has three (3) committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. As of March 24, 2023, the following table identifies the independent members of the Board of Directors and lists the members and chairman of each of these committees:

<u>Name</u>	<u>Independent</u>	<u>Audit Committee</u>	<u>Compensation Committee</u>	<u>Nominating and Corporate Governance Committee</u>

Eric H. Halvorson	I	C		X
Heather W. Grizzle	I	X	X	C
Jacki L. Pick	I	X		X
Stuart W. Epperson, Jr.				
Edward C. Atsinger				

I = Director is independent

X = Current member of committee

C = Current member and chairman of the committee

Audit Committee

The Audit Committee of the Board of Directors (the “Audit Committee”) is a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee currently consists of Mr. Halvorson (Chair), Mr. Riddle, Ms. Grizzle and Ms. Pick, each of whom is independent under the NASDAQ Rules and applicable SEC rules and regulations. The Board of Directors has determined that Mr. Halvorson, the Audit Committee Chairperson, qualifies as an “audit committee financial expert” as defined by applicable SEC rules and regulations.

The Audit Committee held three (3) scheduled meetings and two (2) scheduled telephonic meetings in 2022 and operates under a written charter adopted by the Board of Directors. The Audit Committee and the Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and

practices. This charter is available on our Internet website (<http://salemmedia.com>) and a copy of the charter may be obtained upon written request from our Secretary. ***Any information found on our website is not a part of, or incorporated by reference into, this or any other report filed with, or furnished to, the SEC by us.***

The Audit Committee's responsibilities are generally to assist the Board of Directors in fulfilling its legal and fiduciary responsibilities relating to our accounting, audit and reporting policies and practices. The Audit Committee also, among other things, approves related party transactions, oversees our financial reporting process, retains and engages our independent registered public accounting firm, approves the fees for our independent registered public accounting firm, monitors and reviews the quality, activities and functions of our independent registered public accounting firm, and monitors the adequacy of our operating and internal controls and procedures as reported by management and our independent registered public accounting firm. The Audit Committee Report set forth later in this Proxy Statement provides additional details about the duties and activities of this committee.

Compensation Committee

As provided under applicable laws and rules, our Board of Directors delegates authority for compensation matters to the Compensation Committee of the Board of Directors (the "Compensation Committee"). The Compensation Committee's membership is determined by the Board of Directors. The Compensation Committee currently consists of Mr. Riddle (Chair) and Ms. Grizzle, each of whom is independent under the NASDAQ Rules, including recently adopted compensation committee independence requirements. The Compensation Committee is authorized to review and approve compensation, including non-cash benefits and severance arrangements for our officers and employees and to approve salaries, remuneration and other forms of additional compensation and benefits as it deems necessary. The Compensation Committee also administers our Amended and Restated 1999 Stock Incentive Plan (as amended and restated through May 8, 2019) (the "Stock Plan").

The Compensation Committee held two (2) regularly scheduled meetings in 2022. The Compensation Committee meets at least twice annually and at additional times as are necessary or advisable to fulfill its duties and responsibilities.

The role of our Compensation Committee is to oversee our compensation and benefit plans and policies, administer our Stock Plan (including reviewing and approving equity grants to elected officers), and to review and approve all compensation decisions relating to elected officers, including those for our named executive officers ("NEOs") (who are listed in the Summary Compensation Table below). The actions of the Compensation Committee include reviewing objective benchmarks and metrics by which a NEO's performance can be measured and analyzing peer compensation and performance data for comparison with our NEOs. The Compensation Committee has delegated limited authority to Edward G. Atsinger III, our Executive Chairman, to grant up to \$250,000 of equity incentive awards (restricted stock and stock options) to purchase our Class A common stock annually (measured each calendar year without carry-over of unused grant authority from year to year). This delegated authority is subject to prompt notification to the Compensation Committee of the issuance of any such grants and ratification of any such grants at the next regularly scheduled Compensation Committee meeting following the date of such grants.

Our NEOs do not determine or approve any element or component of their own compensation. Our CEO provides a recommendation to the Compensation Committee for base salary and annual incentive compensation for the NEOs reporting to him.

The Compensation Committee operates pursuant to a charter that was approved by the Board of Directors. The charter sets forth the responsibilities of the Compensation Committee. The Compensation Committee and our Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on our Internet website (<http://salemmedia.com>) and a copy of the charter may be obtained from our Secretary upon written request. ***Any information found on our website is not a part of, or incorporated by reference into, this or any other report filed with, or furnished to, the SEC by us.***

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors (the “Nominating and Corporate Governance Committee”) currently consists of Ms. Grizzle (Chair), Mr. Riddle, Mr. Halvorson, and Ms. Pick each of whom is independent under the NASDAQ Rules. The Nominating and Corporate Governance Committee held two (2) regularly scheduled meetings in 2022.

The Nominating and Corporate Governance Committee is authorized to: (a) develop and recommend a set of corporate governance standards to the Board of Directors for adoption and implementation; (b) identify individuals qualified to become members of the Board of Directors; (c) recommend that director nominees be elected at our next annual meeting of stockholders; (d) recommend nominees to serve on each standing committee of the Board of Directors; (e) lead in the annual review of Board performance and evaluation of the Board’s effectiveness; and (f) ensure that succession planning takes place for the position of chief executive officer and other key senior management positions, all in accordance with applicable rules and regulations.

To qualify as a nominee for service on the Board of Directors, a candidate must have sufficient time and resources available to successfully carry out the duties required of a Board member. The Nominating and Corporate Governance Committee desires to attract and retain highly qualified directors who will diligently execute their responsibilities and enhance their knowledge of our core businesses and seeks Directors who possess some or all of the skills, qualifications and experience described under “Board Composition” in this Proxy Statement.

The Nominating and Corporate Governance Committee implements our policy regarding stockholder nominations by considering nominees for director positions that are made by our stockholders. Any stockholder desiring to make such a nomination must submit in writing the name(s) of the recommended nominee(s) to our Secretary at least 90 days prior to, but not earlier than 120 days prior to, the first anniversary of the preceding annual meeting of stockholders. The written submission must also contain biographical information about the proposed nominee, a description of the nominee’s qualifications to serve as a member of the Board of Directors, and evidence of the nominee’s valid consent to serve as our director if nominated and duly elected.

The Board provides oversight of our management and plays a key role in shaping our strategic direction. Consistent with our Nominating and Corporate Governance Committee Charter, the Nominating and Corporate Governance Committee considers various criteria in Board candidates, including, the skills, qualifications and experience described under “Board Composition” in this Proxy Statement, as well as their appreciation of our core purpose, core values, and whether they have time available to devote to Board activities. The Nominating and Corporate Governance Committee also considers whether a potential nominee would satisfy:

1. The criteria for director “independence” established by the NASDAQ Rules; and
2. The SEC’s definition of “audit committee financial expert.”

Whenever a vacancy exists on the Board due to expansion of the Board’s size or the resignation, retirement or term expiration of an existing director, the Nominating and Corporate Governance Committee identifies and evaluates potential director nominees. The Nominating and Corporate Governance Committee considers recommendations of management, stockholders and others. The Nominating and Corporate Governance Committee has sole authority to retain and terminate any search firm to be used to identify director candidates, including approving its fees and other retention terms.

Director candidates are evaluated using the criteria described above and in light of the then-existing composition of the Board, including its overall size, structure, backgrounds and areas of expertise of existing Directors and the relative mix of independent and employee directors. The Nominating and Corporate Governance Committee also considers the specific needs of the various Board committees. The Nominating and Corporate Governance Committee recommends potential director nominees to the full Board, and final approval

[Table of Contents](#)

of a candidate for nomination is determined by the full Board. This evaluation process is the same for Director nominees who are recommended by our stockholders.

The Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee and our Board of Directors annually (or more often as needed) review the charter to ensure it conforms to current laws and practices. This charter is available on our Internet website (<http://salemmmedia.com>) and a copy of the charter may be obtained upon written request from our Secretary. ***Any information found on our website is not a part of, or incorporated by reference into, this or any other report of filed with, or furnished to, the SEC by us.***

The Nominating and Corporate Governance Committee did not receive any recommendations from stockholders proposing candidate(s) for election at the Annual Meeting. None of the Directors serving on the Audit Committee, the Compensation Committee or the Nominating and Corporate Governance Committee are our employees.

Although the Board does not have a formal policy on diversity, the Nominating and Corporate Governance Committee and the Board review from time-to-time the membership of the Board in light of our operations and strategic objectives and consider whether the current Board members possess the requisite skills, experience and perspectives to oversee the achievement of those goals. As part of an annual effectiveness review, the Nominating and Corporate Governance Committee evaluates the diversity of the Board composition to ensure that it sufficiently represents a diverse set of background, skills and experience.

Board Leadership Structure

Historically, our Board of Directors has had a general policy that the positions of Executive Chairman of the Board and CEO should be held by separate persons as an aid in the Board's oversight of management. This policy has been in effect since we began operations. The Executive Chairman of the Board is a full-time senior executive of ours. The duties of the Executive Chairman of the Board include:

- presiding over all meetings of the Board;
- preparing the agenda for Board meetings in consultation with the CEO and other members of the Board;
- managing the Board's process for annual Director self-assessment and evaluation of the Board and of the CEO; and
- presiding over all meetings of stockholders.

The Board of Directors believes that there are advantages to having a separate Executive Chairman for matters such as communications and relations between the Board members, the CEO, and other senior management; in assisting the Board in reaching consensus on particular strategies and policies; and in facilitating robust Board and CEO evaluation processes. In addition, having separate Executive Chairman and CEO positions permits the CEO to focus on day-to-day business and allows the Executive Chairman to lead the Board in its oversight responsibilities. The Board currently consists of the Executive Chairman, the son of the Executive Chairman, the son of the former Chairman of the Board, and four (4) independent Directors. If all Director Nominees are elected, the Board will continue to have four (4) independent Directors. One of Mr. Atsinger's roles is to oversee and manage the Board and its functions, including setting meeting agendas and running Board meetings. In this regard, Mr. Atsinger and the Board in their advisory and oversight roles are particularly focused on assisting the CEO and senior management in seeking and adopting successful business strategies and risk management policies, and in making successful choices in management succession.

Board's Role in Risk Oversight

Our Board of Directors as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board committees. These committees then provide reports to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, succession and compensation, legal and compliance, and other risks. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized above.

Director Attendance at Board Meetings and Committee Meetings and 2022 Annual Meeting of Stockholders

The full Board of Directors held four (4) regularly scheduled meetings in 2022. During 2022, each of our Directors attended (either in person, telephonically, or video conference) all of the regularly scheduled meetings of the full Board of Directors. We encourage, but do not require, that each Director attend our annual meeting of stockholders. In 2022, each of our then Directors attended the 2022 annual meeting of stockholders.

Communications between Stockholders and the Board

We have historically handled communications between stockholders and the Board of Directors on an *ad hoc* basis. We have not adopted a formal policy or process for these communications as of the date of this Proxy Statement. We have, however, taken actions to ensure that the views of our stockholders are communicated to the Board or one or more of the individual Directors, as applicable. The Board considers its responsiveness to such communications as timely and appropriate.

Financial Code of Conduct

We have adopted a financial code of conduct ("Financial Code of Conduct") that applies to each Director, the principal executive officer, principal financial officer, principal accounting officer, controller and persons performing similar functions. This Financial Code of Conduct has been adopted by the Board as a "code of ethics" that satisfies applicable NASDAQ Rules. The Financial Code of Conduct is available on our Internet website (<http://salemmedia.com>) and a copy of the Financial Code of Conduct may be obtained free of charge upon written request from the Secretary. ***Any information found on our website is not a part of, or incorporated by reference into, this or any other report filed with, or furnished to, the SEC by us.***

- (1) Amounts set forth in the “Bonus” column represent bonuses earned for performance in the reflected fiscal year. For years in which restricted stock was awarded in settlement of annual performance bonuses, those restricted stock awards are reflected in the year for which the bonus was earned rather than paid.
- (2) The fair value of the restricted stock award was measured based on the grant date market price of our common shares and expensed as of the vesting date. The restricted stock award contained transfer restrictions under which they could not be sold, pledged, transferred or assigned until ninety (90) days from the vesting date. The recipient of this restricted stock award is entitled to all of the rights of absolute ownership of the restricted stock from the date of grant, including the right to vote the shares and to receive dividends. Restricted stock awards are independent of option grants and are granted at no cost to the recipient other than applicable taxes owed by the recipient. The award was considered issued and outstanding from the vest date of grant.
- (3) Represents the aggregate grant date fair value of option awards granted within the fiscal year in accordance with FASB ASC Topic 718 for stock-based compensation. These amounts reflect the total grant date fair value for these awards and do not correspond to the actual cash value that will be recognized by the grantee when received. For a detailed discussion of the assumptions made in the valuation of option awards, please see the Notes to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022.
- (4) Mr. Atsinger’s salary for 2021 represents his salary earned for his role as Chief Executive Officer during such fiscal year. Mr. Atsinger’s salary for 2022 represents his salary earned for his role as Executive Chairman, which position he transitioned to effective as of January 1, 2022.

(c) David P. Santrella has been our Chief Executive Officer since January 1, 2022.

(d) Edward G. Atsinger III served as our Chief Executive Officer during 2021.

3 The dollar amounts reported in column (d) represent the average of the amounts reported for our NEOs as a group (excluding David P. Santrella for 2022, but including David P. Santrella for 2021 with respect to his role as President—Broadcast Media and excluding Edward G. Atsinger III for 2021, but including Edward G. Atsinger III for 2022 with respect to his role as Executive Chairman) in the “Total” column of the Summary Compensation Table in each applicable year. The names of each of the NEOs included for purposes of calculating the average amounts in each applicable year are as follows: (i) for 2022, Edward G. Atsinger III and David A.R. Evans; and (ii) for 2021, David P. Santrella and David A.R. Evans.

4 The dollar amounts reported in column (e) represent the average amount of “compensation actually paid” to the NEOs as a group (excluding David P. Santrella for 2022 and Edward G. Atsinger III for 2021), as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the NEOs as a group (excluding David P. Santrella for 2022 and Edward G. Atsinger III for 2021) during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the following adjustments were made to average total compensation for the NEOs as a group (excluding David P. Santrella for 2022 and Edward G. Atsinger III for 2021) for each year to determine the compensation actually paid, using the same methodology described above in Note 2:

- 5 Cumulative total shareholder return (“TSR”) is calculated by dividing the sum of the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and the difference between our share price at the end and the beginning of the measurement period by our share price at the beginning of the measurement period.
- 6 The dollar amounts reported represent the amount of net income reflected in our audited financial statements for the applicable year.

Analysis of the Information Presented in the Pay versus Performance Table

Our executive compensation program reflects a variable pay-for-performance philosophy, utilizing several performance measures to align executive compensation with our performance. Moreover, we generally seek to incentivize long-term performance, and therefore do not specifically align our performance measures with compensation that is actually paid (as computed in accordance with Item 402(v) of Regulation S-K) for a particular year. In accordance with Item 402(v) of Regulation S-K, we are providing the following descriptions of the relationships between information presented in the Pay versus Performance table.

Compensation Actually Paid and Cumulative TSR

As demonstrated by the following graph, the amount of compensation actually paid to David P. Santrella for 2022 and Edward G. Atsinger III for 2021 and the average amount of compensation actually paid to our NEOs as a group (excluding David P. Santrella for 2022 and Edward G. Atsinger III for 2021) is aligned with our cumulative TSR over the two years presented in the table. The alignment of compensation actually paid with our cumulative TSR over the period presented is because a significant portion of the compensation actually paid to David P. Santrella for 2022 and Edward G. Atsinger III for 2021 and to the other NEOs is comprised of equity awards.

[Table of Contents](#)

Compensation Actually Paid and Net Income (Loss)

As demonstrated by the following table, the amount of compensation actually paid to David P. Santrella for 2022 and Edward G. Atsinger III for 2021 and the average amount of compensation actually paid to our NEOs as a group (excluding David P. Santrella for 2022 and Edward G. Atsinger III for 2021) is generally not aligned with our net income (loss) over the two years presented in the table.

Leases with Related Persons

As of March 8, 2023, Salem leased the studios and tower and antenna sites described in the table below from Edward G. Atsinger III, Executive Chairman, and Stuart W. Epperson, former Chairman of our Board of Directors. All of these leases have cost of living adjustments. Based upon management’s assessment and analysis of local market conditions for comparable properties, we believe that these leases do not have terms that vary materially from those that would have been available from unaffiliated parties.

Audit Committee's Pre-Approval Policies and Procedures

In accordance with the Audit Committee's pre-approval policies and procedures and the requirements of applicable law, all services to be provided by Moss are pre-approved by the Audit Committee. Pre-approval includes audit services, audit-related services and other permissible non-audit services. Pre-approval is generally provided by the full Audit Committee for up to a year and is detailed as to the particular defined tasks or scope of work and is subject to a specific budget. In some cases, the Audit Committee has delegated authority to the Chairman of the Audit Committee to pre-approve additional services, and any such pre-approvals granted by the Chairman must then be communicated to the full Audit Committee at or prior to the next scheduled Audit Committee meeting. When assessing whether it is appropriate to engage the independent registered public accounting firm to perform a service, the Audit Committee considers, among other things, whether these services are consistent with the independent registered public accounting firm's independence and whether these services constitute prohibited non-audit functions under Section 201 of the Sarbanes-Oxley Act of 2002. The Audit Committee considered the provision of the services listed in the table above by Moss and determined that the provision of such services was compatible with maintaining the independence of Moss.

**PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF
MOSS ADAMS LLP AS THE
COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee¹ has selected Moss Adams LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Moss Adams LLP has served as our independent auditor since May 2021. A representative of Moss Adams LLP is expected to attend the Annual Meeting, and the representative will have an opportunity to make a statement if he or she so desires. The representative will also be available to respond to appropriate questions from stockholders.

Reasons for the Proposal

Selection of our independent registered public accounting firm is not required to be submitted for stockholder approval. Nonetheless, the Board of Directors is seeking ratification of the selection of Moss Adams LLP as a matter of further involving our stockholders in its corporate affairs. If the stockholders do not ratify this selection, the Audit Committee will reconsider its selection of Moss Adams LLP and will either continue to retain this firm or appoint new independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that this change would be in the best interests of the Company and its stockholders.

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of the Class A and Class B shares, voting as a single class, present in person or represented by proxy and entitled to vote at the Annual Meeting, at which a quorum representing a majority of the voting power of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve the proposal to ratify the appointment of Moss Adams LLP as the Company's independent registered public accounting firm. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THIS APPOINTMENT.**

¹ Under Exchange Act Rule 10A-3, which is also reflected in the Audit Committee charter, the Audit Committee must select and retain the independent registered public accounting firm.

PROPOSAL 3

AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REFLECT NEW DELAWARE LAW PROVISIONS REGARDING OFFICER EXCULPATION The State of Delaware, which is the Company’s state of incorporation, recently enacted legislation that enables Delaware companies to limit the liability of certain of their officers in certain limited circumstances. In light of this amendment, we are proposing to amend the Company’s Amended and Restated Certificate of Incorporation to apply to breach of the duty of loyalty, acts or omissions not in good faith or that involve intentional misconduct, a knowing violation of the law, or any transaction in which the officer derived an improper personal benefit. The rationale for so limiting the scope of liability is to strike a balance between stockholder interest in accountability and their interest in the Company being able to attract and retain quality officers to work on its behalf.

The Board of Directors believes that there is a need for directors and officers to remain free of risk of financial ruin as the result of an unintentional misstep. Further, the Board notes that the proposed provision would not negatively impact stockholder’s rights. Therefore, taking into account the narrow class, and type of claims for which officers’ liability would be excused, and the benefits that the Board believes would accrue to the Company and its stockholders in the form of an enhanced ability to attract and retain talented officers, the Board has determined that it is in the best interests of the Company and its stockholders to amend the Amended and Restated Certificate of Incorporation as described herein.

Accordingly, we ask our stockholders to vote on the following resolution:

“RESOLVED that the Company’s stockholders approve an amendment to the Article thereof numbered “EIGHTH”, amended and restated in its entirety as follows:

EIGHTH: No director or officer of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such a director or officer as a director or officer, respectively, except to the extent provided by applicable law (i) for any breach of the director’s or officer’s duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the General Corporation Law of Delaware, in the case of directors only, (iv) for any transaction from which such director or officer derived an improper personal benefit, or (v) for any action by or in the right of the Corporation, in the case of officers only. If the General Corporation Law of Delaware is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the General Corporation Law of Delaware as so amended. No amendment to or repeal of this Article EIGHTH shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.”

Vote Required and Board of Directors’ Recommendation

The affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the meeting, at which a quorum representing a majority of the voting power of all outstanding shares of Class A common stock and Class B common stock is present and entitled to vote, is required to approve Proposal 3. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR PROPOSAL 3.**

STOCKHOLDERS' PROPOSALS FOR 2024 PROXY STATEMENT

Any of our stockholders wishing to have a proposal considered for inclusion in our proxy solicitation materials relating to our 2024 Annual Meeting of Stockholders must, in addition to other applicable requirements pursuant to Exchange Act Rule 14a-8, give notice of the proposal in writing to the Secretary at our principal executive offices and the notice must be received on or before December 5, 2023. The proposal may be included in next year's proxy statement if it complies with certain rules and regulations promulgated by the SEC. Proposals must be submitted in accordance with our Bylaws and comply with SEC regulations promulgated pursuant to Rule 14a-8 of the Exchange Act.

OTHER MATTERS

At the time of preparation of this Proxy Statement, the Board of Directors of the Company was not aware of any other matters to be brought before the Annual Meeting. No eligible stockholder had submitted notice of any proposal ninety (90) days before the date of the anniversary of last year's annual meeting. However, if any other matters are properly presented for action, in the absence of instructions to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote, or refrain from voting, in accordance with their respective best judgment on such matters.

If a stockholder desires to have a proposal presented at our annual meeting of stockholders in 2024 and the proposal is not intended to be included in our related 2024 proxy solicitation materials, the stockholder must give us advance notice in accordance with our Bylaws. Pursuant to our Bylaws, only such business shall be conducted, and only such proposals shall be acted upon at an annual meeting of stockholders as are properly brought before the annual meeting. For business to be properly brought before an annual meeting by a stockholder, in addition to any other applicable requirements, timely notice of the matter must first be given to the Secretary. To be timely, a stockholder's written notice must be delivered to the Secretary at our principal executive offices not later than the 90th day nor earlier than the 120th day prior to the first anniversary of the preceding annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, then notice of the stockholder proposal must be delivered to the Secretary not earlier than the 120th day nor later than the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such annual meeting is first made. For any stockholder proposal, the notice must comply with Section 2.2 of Article II of our Bylaws (a copy of which is available upon request to the Secretary), which section requires that the notice contain a brief description of the proposal and the reasons for conducting the business at the annual meeting, the name and address, as they appear on our books, of the stockholder making the proposal, the number of shares of Class A common stock and Class B common stock beneficially owned by the stockholder and any material interest of the stockholder in such proposal.

In addition to complying with our Bylaws as described above, stockholders who intend to solicit proxies in support of a director nominee other than the Company's nominees for consideration by the stockholders at our 2024 Annual Meeting must also comply with the additional requirements of the SEC's "universal proxy card" rules under Rule 14a-19 of the Exchange Act. Rule 14a-19 requires proponents to provide a timely notice to the Secretary (as described above), setting forth all of the information and disclosures required by Rule 14a-19. F

DELINQUENT SECTION 16(a) REPORTS

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder, our officers and directors and persons who beneficially own more than ten percent (10%) of our common stock are required to: (a) report with the SEC their initial ownership and change in ownership with respect to all of our equity securities; and (b) furnish us with copies of those reports. As a practical matter, we assist our officers and directors in preparing initial ownership reports and reporting ownership changes and we typically file these reports on their behalf.

Based solely on our review of such reports filed with the SEC during or with respect to the year ended December 31, 2022 and written representations from our officers and directors, we believe that our officers, directors and more than ten percent (10%) stockholders complied with all Section 16(a) filing requirements applicable to those reporting persons.

ANNUAL REPORT ON FORM 10-K

Our Annual Report on Form 10-K for the year ended December 31, 2022 including audited financial statements, is being made available to stockholders along with these proxy materials, but this Annual Report is not incorporated herein and is not deemed to be a part of this Proxy Statement. **Our Annual Report on Form 10-K for the year ended December 31, 2022 as filed with the SEC is available to stockholders via our website (<http://salemmedia.com>) or in printed form (without exhibits) without charge on written request to us.** Exhibits to the Annual Report on Form 10-K may be obtained in printed form from us upon payment of our reasonable expenses to furnish such exhibits. **To obtain any of these materials, contact Christopher J.
